VOTING INFORMATION

Voting by Proxy

Voting by proxy means that you are giving the person or people named on your form of proxy (proxyholder) the authority to vote your Common Shares for you at the Meeting or any adjournment thereof. A form of proxy (the “Form of Proxy”) is included in this package.

You can choose from three different ways to vote your shares by proxy:

1. by mail or delivery;
2. by telephone; or
3. on the Internet.

A shareholder has the right to appoint a person, who need not be a shareholder, other than the persons designated in the Form of Proxy, to attend and act on behalf of the shareholder at the Meeting. Unless you appoint someone else to be your proxyholder in accordance with the instructions provided herein, the directors or officers who are named on the Form of Proxy will vote your shares for you. If you appoint someone else, he or she must be present at the Meeting to vote your shares.

If you are voting your shares by proxy, Computershare Investor Services Inc. (the “Transfer Agent”) must receive your completed form of proxy by no later than 4:00 p.m. on Friday, October 11, 2011 or, if the Meeting is adjourned, at the latest 48 hours prior to the adjourned meeting.

Registered and Non-Registered (or Beneficial) Shareholders

You are a registered shareholder if your name appears on your share certificate. You will receive the Form of Proxy if you are a registered shareholder.

You are a non-registered (or beneficial) shareholder if your bank, trust company, securities broker or other financial institution holds your shares for you (your nominee). If you are a non-registered (or beneficial) shareholder, you will receive a voting instruction form or form of proxy from the Company, the institution that holds your shares or their respective agents.

How to vote — registered shareholders

1. By proxy
 - (a) By mail or delivery
 - (i) To vote by mail or delivery, your paper proxy must be completed, signed, dated and returned in accordance with the instructions on the Form of Proxy.
 - (b) By telephone

- (i) To vote by telephone, call the toll-free number shown on the Form of Proxy. Using a touch-tone telephone to select your voting preferences, follow the instructions of the “vote voice” and refer to the directions on the Form of Proxy.
 - (ii) Note that voting by telephone is not available if you wish to appoint a person as a proxy holder other than the persons named on the Form of Proxy. In such a case, your proxy should be voted by mail, delivery or the Internet.
- (c) On the Internet
- (i) To vote your proxy on the Internet, visit the website address as shown on the Form of Proxy. Follow the on-line voting instructions given on the Form of Proxy.
- (d) By appointing another person to go to the Meeting and vote your shares for you
- (i) This person does not have to be a shareholder.
 - (ii) Strike the names that are printed on the Form of Proxy and write the name of the person you are appointing in the space provided. Complete your voting instructions, date and sign the Form of Proxy, and return it to the Transfer Agent as instructed.
 - (iii) Make sure that the person you appoint is aware that he or she has been appointed and attends the Meeting.
 - (iv) At the Meeting, the person appointed should see the scrutineers from the Transfer Agent at the registration table.

2. In person at the Meeting

You do not need to complete or return the Form of Proxy.

You should see a representative of the Transfer Agent before entering the Meeting to register your attendance at the Meeting.

Voting in person at the Meeting will automatically cancel any proxy you completed and submitted earlier.

How to vote — non-registered (or beneficial) shareholders

These securityholder materials are being sent to both registered and non-registered owners of the Common Shares, either directly by the Company or indirectly through your nominee or your nominee’s agent.

If you are a non-registered owner of Common Shares and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf. In such case, the Company (and not the intermediary holding Common Shares on your behalf) assumes responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the Form of Proxy.

If you have received these materials indirectly through your nominee or your nominee’s agent, you will receive the nominee’s form of proxy, which is substantially similar to the Form of Proxy, the sole purpose of which is to instruct the registered holder of the Common Shares (i.e. the nominee) how to vote on your behalf (the “Voting Instruction Form”).

3. By proxy

- (a) Please contact your nominee or the Company if you did not receive a Voting Instruction Form or the Form of Proxy in this package.
- (b) In most cases, you will receive a Voting Instruction Form that allows you to provide your voting instructions by telephone, on the Internet or by mail or delivery. If you want to provide your voting instructions on the Internet, go to the website noted on your Voting Instruction Form or Form of Proxy and follow the instructions on the screen.
- (c) Some Voting Instruction Forms may be required to be completed and returned, as directed in the instructions provided; or have been pre-authorized by your nominee indicating the number of shares to be voted, which is to be completed, dated, signed and returned to the Transfer Agent by mail.

4. In person at the Meeting

- (a) The Transfer Agent does not have access to the names or holdings of our non-registered shareholders. That means you can only vote your shares in person at the Meeting if you appoint yourself proxy holder by printing your name in the space provided on the Voting Instruction Form or Form of Proxy provided to you.
- (b) Your vote will be taken and counted at the Meeting.
- (c) Prior to the Meeting, you should see the scrutineers from the Transfer Agent at the registration table.

Completing the Form of Proxy

On any ballot that may be called for at the Meeting, the Common Shares represented by the enclosed Form of Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder indicated thereon and, where a choice is specified, the Common Shares will be voted accordingly.

You can choose to vote “For”, “Against” or “Withhold”, depending on the items listed on the Form of Proxy.

When you sign the Form of Proxy, you authorize Joseph Hamilton or Wesley Hanson, who are directors and/or officers of the Company, or the individual that you have named on the Form of Proxy in accordance with the instructions provided herein, to vote or withhold from voting your shares for you at the Meeting according to your instructions on any ballot that may be called for. If you specify a choice on the Form of Proxy with respect to any matter to be acted upon at the Meeting, your shares will be voted accordingly. **If you return the Form of Proxy and do not tell us how you want to vote your Common Shares, your vote will be counted: (i) FOR the ordinary resolution fixing the number of directors to be elected at seven (7); (ii) FOR the election of the nominees for director listed under “Election of Directors”; (iii) FOR the appointment of the auditors named under “Appointment of Auditors”; and (iv) FOR the ordinary resolution re-approving the Stock Option Plan as described in this management information circular.**

As of the date of this Circular, management is unaware of any such amendment, variation or other matter proposed or likely to come before the Meeting.

If you have appointed a person other than Joseph Hamilton or Wesley Hanson to vote your shares and you do not specify how you want your shares voted, your proxy holder will vote your shares as he or she sees fit on each item and on any other matter that may properly come before the Meeting.

If you are an individual shareholder, you or your authorized attorney must sign the Form of Proxy. If you are a corporation or other legal entity, an authorized officer or attorney must sign the Form of Proxy.

Empowering the Directors to Determine the Number of Directors

Under the *Business Corporations Act* (Ontario) (the "OBCA"), the number of directors of a corporation is the number set out in its articles. Where a minimum and maximum number of directors is provided for in its articles, the number of directors of the corporation and the number of directors to be elected at the annual meeting of shareholders is the number determined from time to time by special resolution of the shareholders, or if the special

resolution empowers the directors to determine the number, by resolution of the directors. Where such a special resolution so empowers the directors to determine the number of directors within the minimum and maximum number of directors provided for in the articles, the directors may appoint one or more additional directors if, after such appointment, the total number of directors would not then be greater than one and one-third times the number of directors elected at the annual meeting of shareholders.

At the Meeting, the shareholders of the Corporation will also be asked to approve a special resolution empowering the directors to determine the number of directors of the Corporation within the minimum and maximum number provided for in the Articles of Continuance and to appoint additional directors in accordance with the provisions of the OBCA (the “Number of Directors Resolution”), the text of which is as follows:

NOW THEREFORE BE IT RESOLVED THAT:

1. the directors of the Corporation are hereby empowered to determine from time to time the number of directors of the Corporation, subject to the limitations established by the articles of the Corporation and the provisions of the OBCA; and
2. any one director or officer of the Company be and is hereby authorized and directed to execute and deliver on behalf of the Company all such documents and instruments and to do all such other acts and things as in his or her opinion may be necessary or desirable in connection with the foregoing.

Directors’ Recommendation

The Board recommends that all shareholders vote FOR the Number of Directors Resolution. The persons whose name appears in the attached form of proxy intend to vote FOR the Number of Directors Resolution.

OTHER MATTERS

The information contained herein is given as of September 12, 2011, except where indicated. Management of the Company knows of no amendment of the matters referred to in the Notice of Meeting. However, if any amendment, variation or other business should properly be brought before the Meeting, the accompanying Form of Proxy confers discretionary authority upon the persons named therein to vote upon any amendment or variation of the matters referred to in such notice or on such other business in accordance with their best judgment.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following Compensation Discussion and Analysis describes and explains the significant elements of the Company’s compensation programs, with particular emphasis on the process for determining compensation payable to the Chief Executive Officer, Chief Financial Officer, and the three most highly compensated executive officers (other than the Chief Executive Officer and Chief Financial Officer), at the end of the most recently completed financial year (collectively, the “Named Executive Officers”).

Objectives of Compensation Programs

The objectives of the Company’s compensation programs are to attract, retain and motivate highly qualified executive officers who will drive the success of the Company, while at the same time promoting a greater alignment of interests between such executive officers and the Company’s shareholders. The Company’s compensation programs are designed to recruit and retain key individuals and reward individual and company performance with compensation that has long-term growth potential, while recognizing that the executives work as a team to achieve corporate results.

Elements of Compensation

Compensation is comprised of three main components: base salary, annual bonus incentive and stock options.

The Compensation Committee annually reviews each component and relevant competitive factors and makes recommendations based on corporate and individual performance, taking into account leadership abilities, retention risk and succession plans.

1. *Base Salaries* - The primary element of the Company’s compensation program is base salary. The Company’s view is that a competitive base salary is a necessary element for retaining qualified executive officers. The amount payable to an executive officer as base salary is determined primarily by the number of years of experience, survey data and internal position comparisons, and, if available, comparisons to the base salaries offered by other companies in the same geographic location or in similar businesses and for comparable positions at other companies where the Company competes for talent based on available market data.

2. *Annual Bonus or Short Term Incentives* - Along with the establishment of competitive base salaries and long-term incentives, one of the objectives of the executive compensation strategy is to encourage and recognize strong levels of performance by linking achievement of specific goals with variable compensation in the form of annual bonus or short term incentive awards. Target bonus awards range from 30% to 100% of base salary for the executive group.

3. *Stock Options* - Grant ranges had been established independently each time grants of stock options were made to provide competitive long-term incentive value, with significant recognition of contribution and potential of the individual. The options have a five-year term and an exercise price equal to market price at the time of grant. The periodic award of options under the Stock Option Plan is determined by the Board, is discretionary and takes into account previous option awards.

CORPORATE GOVERNANCE

Effective June 30, 2006, the securities regulatory authorities in Canada adopted national Instrument 58-101-Disclosure of Corporate Governance Practices ("NI-58-101") and National Policy 58-201 Corporate Governance Guidelines ("NP-58-201"). NP-58-201 contains a series of guidelines for effective corporate governance. The guidelines deal with such matters as the constitution and independence of corporate boards, their functions, the experience and education of board members and other items dealing with sound corporate governance.

Noront considers good corporate governance to be central to the effective and efficient operation of its business and is committed to implementing high standards of corporate governance and reporting. The Board reviews and formulates policies with respect to corporate governance issues. Noront attempts, so far as is practical and reasonable, given the nature of Noront's business and available resources, to seek to adhere to the guidelines outlined in NP 58-201.

The significant corporate growth which Noront experienced over the past year has required Noront to review its corporate governance and reporting standards. Management of Noront believes that it has made good progress over the past year in implementing new standards and practices in the corporate governance area. Improvements to Noront's corporate governance practices which have come into effect over the past year include:

- creation of a corporate governance committee of the Board
- improved policies regarding the safeguarding of technical results from the field and including all stages of processing until receipt and public dissemination by head office
- adoption of stringent quality assurance and quality control protocols, developed in conjunction with Noront's independent "qualified person", within the meaning of National Instrument 43-101
- reviewing Noront's internal financial controls both at head office and in the field

- adopting as a matter of practice, the principle that a portion of each meeting of the Board be devoted to a meeting of non-management directors without management present

In addition, Noront can provide the following summary of its corporate governance policies:

1. **Board of Directors** — The Board is responsible for guiding and supervising Noront’s business and its affairs. In this regard, the Board reviews, approves and provides guidance on key corporate matters, including the strategic business planning process and certain operations decision such as acquisitions and dispositions, operating and capital budgets, major financings, significant policy decisions, the performance and compensation of senior management including grants made pursuant to the Stock Option Plan, and approval of the financial statements. The Board facilitates its exercise of independent supervision over management by ensuring a majority of the directors of the Company are independent. Currently four directors being Darren Blasutti, Lorie Waisberg, Keith McKay and Alex Davidson are independent directors of the Company.
2. **Directorships** — Lorie Waisberg is currently a director of Chantrell Ventures, Chemtrade Logistics, Metalex Ventures, Primary Energy Recycling Corporation, RX Exploration and Tembec. Joseph Hamilton is currently a director of Malbex Resources Ltd. and Unigold Inc. Paul Parisotto is a director of Pintetree Capital Ltd. and RX Exploration. Wes Hanson is currently a director of Saint Eugene Mining.
3. **Orientation and Continuing Education** — The Board is in the process of reviewing a Corporate Governance Policy under the guidance of the Corporate Governance Committee, one of the mandates of which will be to create an orientation program for new Board members. 6. **Compensation** — The entire Board will continue to review the compensation of directors and officers including the granting of stock options. Compensation will be determined with reference, in part, to compensation of officers and directors in similar industries performing similar functions.
7. **Other Board Committees** — Currently the Board has established a Corporate Governance Committee along with its Audit Committee and Compensation Committee.
8. **Assessments** — The Corporate Governance Committee is in the process of conducting an audit of the corporate governance practices of Noront and establishing procedures to ensure that the Board, its committees, and its individual directors are performing effectively.

- Annually evaluate the performance of the Audit Committee in light of the requirements of its Charter
- Provide open lines of communication among the independent auditors, financial and senior management and the Board of Directors for financial reporting and control matters. The Audit Committee will meet, periodically, with management and the independent auditors.

While the Committee has the responsibilities and powers provided in this Charter, it is the responsibility of the Committee, to plan and conduct audits and to prepare and determine that Noront’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. It is also the responsibility of management to establish, document, maintain and review systems of internal control and maintain the appropriate accounting and financial reporting principles and policies designed to assure compliance with accounting standards and applicable laws. II. Composition

The Audit Committee shall be comprised of at least three directors, a majority of which shall be an “independent director” as defined by applicable laws, including the requirements of National Instrument 52-110 of the Canadian Securities Administrators (“NI 52-110”), as such rules are revised, updated or replaced from time to time. (the “Company”) by directors, officers, employees (including part time employees employed by the Company for less than (20) hours per weeks) and consultants (including individuals whose services are contracted through a personal holding company) of the Company or any Affiliate, as that term is defined in the Securities Act (Ontario), of the Company or by personal holding companies of any such officers, directors or employees or by registered retirement savings plans established by any such officers, directors or employees (hereinafter referred to as “Optionees”) who are primarily responsible for the management and profitable growth of its business and to advance the interests of the Company by providing additional incentive for superior performance by such persons and to enable the Company to attract and retain valued directors, officers and employees by granting options (the “Options” or “Option”) to purchase common shares of the Company on the terms and conditions set forth in this Plan and any Stock Option Agreements entered into between the Company and the Optionees in accordance with the Plan. Any Options granted to a personal holding company shall be cancelled immediately upon any change in control of such personal holding company, save and except in the event of the death of the principal of such personal holding company, in which case, subject to the terms of the Stock Option Agreement, the provisions of subparagraph 5(f)(iii) shall apply.

2. **ADMINISTRATION:** The Plan shall be administered by the Board of Directors from time to time of the Company (the “Administrator”). No member of the Board of Directors shall by virtue of such appointment be disqualified or ineligible to receive Options. The Administrator shall have full authority to interpret the Plan and to make such rules and regulations and establish such procedures as it deems appropriate for the administration of the Plan, taking into consideration the recommendations of management, and the decision of the Administrator shall be binding and conclusive. The decision of the Administrator shall be binding, provided that notwithstanding anything herein contained, the Administrator may from time to time delegate the authority vested in it under this clause to the President who shall thereupon exercise all of the powers herein given to the Administrator, subject to any express direction by resolution of the Board of Directors of the Company from time to time and further provided that a decision of the majority of persons comprising the Board of Directors in respect of any matter hereunder shall be binding and conclusive for all purposes and upon all persons. The senior officers of the Company are authorized and directed to do all things and execute and deliver all instruments, undertakings and applications as they in their absolute discretion consider necessary for the implementation of the Plan.

3. **NUMBER OF SHARES SUBJECT TO OPTIONS:** The Board of Directors of the Company will make available that number of common shares for the purpose of the Plan that it considers appropriate except that the number of common shares that may be issued pursuant to the exercise of Options under the Plan and under any other stock options of the Company shall not exceed 10% of the common shares issued and outstanding (on a non-diluted basis) at any time and from time to time. In the event that Options granted under the Plan, and under any other stock options of the Company which may be in effect at a particular time, are surrendered, terminate or expire without being exercised in whole or in part, new Options may be granted covering the common shares not purchased under such lapsed Options.

4. **PARTICIPATION:** Options shall be granted under the Plan only to Optionees as shall be designated from time to time by the Administrator and shall be subject to the approval of such regulatory authorities as the Administrator shall designate, which shall also determine the number of shares subject to such Option. Optionees who are consultants of the Company or an Affiliate of the Company must either perform services for the Company on an ongoing basis or provide, or be expected to provide, a service of value to the Company or to an Affiliate of the Company. The Company represents that no option shall be granted to any Employee or Consultant who is not a bona fide Employee or Consultant.

5. **TERMS AND CONDITIONS OF OPTIONS:** The terms and conditions of each Option granted under the Plan shall be set forth in written Stock Option Agreements between the Company and the Optionee. Such terms and conditions shall include the following as well as such other provisions, not inconsistent with the Plan, as may be deemed advisable by the Administrator:

(a) **Number of Shares subject to Option to any one Optionee:** The number of shares subject to an Option shall be determined from time to time by the Administrator; but no one Optionee shall be granted an Option which when aggregated with any other options or common shares allotted to such Optionee under the Plan exceeds 5% of the issued and outstanding common shares of the Company (on a non-diluted basis), the total number of Options granted to any one Optionee in any 12 month period shall not exceed 5% of the issued and outstanding common shares of the Company (on a non-diluted basis)(unless the shares of the Company trade on Tier 1 of the TSX Venture Exchange and the Company has obtained disinterested shareholder approval), the total number of Options granted to all Insiders (as defined by the TSX Venture Exchange) in any 12 month period shall not exceed 10% of the issued and outstanding common shares of the Company (on a non-diluted basis). The total number of options granted to any one consultant in any 12 month period shall not exceed 2% of the issued and outstanding common shares of the Company (on a non-diluted basis). The total number of options granted to all persons, including employees, providing investor relations activities to the Company in any 12 month period shall not exceed 2% of the issued and outstanding common shares of the Company (on a non-diluted basis). Options granted to persons providing investor relations activities must vest over a 12 month period with no more than 25% of the options vesting in any quarter.

(b) **Option Price:** The Option Price of any shares in respect of which an Option may be granted under the Plan shall be not less than the Market Price less the allowable discount permitted by the TSX Venture Exchange or in accordance with the pricing rules of any other stock exchange on which the common shares of the Company may trade in the future.

In the resolution allocating any Option, the Administrator may determine that the date of grant aforesaid shall be a future date determined in the manner specified by such resolution. The Administrator may also determine that the Option Price per share may escalate at a specified rate dependent upon the year in which any Option to purchase common shares may be exercised by the Optionee. No options granted to Insiders (as defined by the TSX Venture Exchange) may be repriced without the approval of a majority of disinterested shareholders of the Company exclusive of any Insiders.

(c) **Payment:** The full purchase price of shares purchased under the Option shall be paid in cash upon the exercise thereof. A holder of an Option shall have none of the rights of a stockholder until the shares are issued to him. All common shares issued pursuant to the exercise of Options granted or deemed to be granted under the Plan, will be so issued as fully paid and non-assessable common shares. No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares subject to an Option under this Plan, unless and until certificates for such common shares are issued to him or them under the terms of the Plan.

(d) **Term of Options:** Options may be granted under this Plan exercisable over a period not exceeding five (5) years. Each Option shall be subject to earlier termination as provided in subparagraph (f) below.

(e) **Exercise of Options:** The exercise of any Option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of common shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such common shares with respect to which the Option is exercised. An Option may be exercised in full or in part during any year of the term of the Option as provided in the written Stock Option Agreement; provided however that except as expressly otherwise provided herein or as provided in any valid Stock Option Agreement approved by the Administrator, no Option may be exercised unless that Optionee is then a director and/or in the employ of the Company. This Plan shall not confer upon the Optionee any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate of the Company.

(f) **Termination of Options:** Any Option granted pursuant hereto, to the extent not validly exercised, and save as expressly otherwise provided herein, will terminate on the earlier of the following dates:

- (i) the date of expiration specified in the Stock Option Agreement, being not more than five (5) years after the date the Option was granted;
- (ii) the date of termination of the Optionee's employment or upon ceasing to be a director and/or officer of the Company or up to a period not exceeding three (3) months thereafter for any cause other than by retirement, permanent disability or death unless the Optionee was retained to provide Investor Relations Activities in which case up to a period not exceeding thirty (30) days thereafter;
- (iii) one (1) year after the date of the Optionee's death during which period the Option may be exercised only by the Optionee's legal representative or the person or persons to whom the deceased Optionee's rights under the Option shall pass by will or the applicable laws of descent and distribution, and only to the extent the Optionee would have been entitled to exercise it at the time of his death if the employment of the Optionee had been terminated by the Company on such date;
- (iv) three (3) months after termination of the Optionee's employment by permanent disability or retirement under any Retirement Plan of the Company during which three (3) month period the Optionee may exercise the Option to the extent he was entitled to exercise it at the time of such termination provided that if the Optionee shall die within such three (3) month period, then such right shall be extended to six (6) months following the death of the Optionee and shall be exercisable only by the persons described in subparagraph (f)(iii) hereof and only to the extent therein set forth.
- (g) Non-transferability of Options: No Option shall be transferable or assignable by the Optionee other than by will or the laws of descent and distribution and shall be exercisable during his lifetime only by him.
- (h) Applicable Laws or Regulations: The Company's obligation to sell and deliver stock under each Option is subject to such compliance by the Company and any Optionee as the Company deems necessary or advisable with all laws, rules and regulations of Canada and the United States of America and any Provinces and/or States thereof applying to the authorization, issuance, listing or sale of securities and is also subject to the acceptance for listing of the common shares which may be issued in exercise thereof by each stock exchange upon which shares of the Company are listed for trading.

6. ADJUSTMENT IN EVENT OF CHANGE IN STOCK: Each Option shall contain uniform provisions in such form as may be approved by the Administrator to appropriately adjust the number and kind of shares covered by the Option and the exercise price of shares subject to the Option in the event of a declaration of stock dividends, or stock subdivisions or consolidations or reconstruction or reorganization or recapitalization of the Company or other relevant changes in the Company's capitalization (other than issuance of additional shares) to prevent substantial dilution or enlargement of the rights granted to the Optionee by such Option. The number of common shares available for Options, the common shares subject to any Option, and the Option Price thereof shall be adjusted appropriately by the Administrator and such adjustment shall be effective and binding for all purposes of the Plan.

7. ACCELERATION OF EXPIRY DATES. Upon the occurrence of any event, including a reorganization, acquisition, amalgamation or merger (or a plan of arrangement in connection with any of the foregoing), other than solely involving the Company and one or more of its affiliates (as such term is defined in the Securities Act (Ontario)), with respect to which all or substantially all of the persons who were the beneficial owners of the common shares, immediately prior to such reorganization, amalgamation, merger or plan of arrangement do not, following such reorganization, amalgamation, merger or plan of arrangement, beneficially own, directly or indirectly more than 50% of the resulting voting shares on a fully-diluted basis (for greater certainty, this shall not include a public offering or private placement out of treasury) or the sale to a person other than an affiliate of the Company of all or substantially all of the Company's assets (collectively, a "Change of Control"), all Options shall be deemed to have immediately vested.

8. AMALGAMATION, CONSOLIDATION OR MERGER: If the event that the Company is a consenting party to a Change of Control, outstanding Options shall be subject to the agreement effecting such Change of

Control and Optionees shall be bound by such Change of Control agreement. Such agreement, without the Optionees' consent, may provide for:

- (a) the continuation of such outstanding Options by the Company (if the Company is the surviving or acquiring corporation);
- (b) the assumption of the Plan and such outstanding Options by the surviving entity; or
- (c) the substitution or replacement by the surviving or acquiring corporation or its parent of options with substantially the same terms for such outstanding Options.

The Company may provide in any agreement with respect to any such Change of Control that the surviving, new or acquiring corporation shall grant options to the Optionees to acquire shares in such corporation or its parent with respect to which the excess of the fair market value of the shares of such corporation immediately after the consummation of such Change of Control over the exercise price therefore shall not be less than the excess of the value of the common shares over the Exercise Price of the Options immediately prior to the consummation of such Change of Control.

9. APPROVALS: The obligation of the Company to issue and deliver the common shares in accordance with the Plan is subject to any approvals which may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Company. If any common shares cannot be issued to any Optionee for whatever reason, the obligation of the Company to issue such common shares shall terminate and any Option exercise price paid to the Company will be returned to the Optionee.

10. STOCK EXCHANGE RULES: The rules of any stock exchange upon which the Company common shares are listed shall be applicable relative to Options granted to Optionees.

11. AMENDMENT AND DISCONTINUANCE OF PLAN: Subject to regulatory approval, the Board of Directors may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time provided however that no such right may, without the consent of the Optionee, in any manner adversely affect his rights under any Option theretofore granted under the Plan.

12. EFFECTIVE DATE AND DURATION OF PLAN: The Plan shall remain in full force and effect from the date of shareholder approval hereof and from year to year thereafter until amended or terminated in accordance with Paragraph 11 hereof and for so long thereafter as Options remain outstanding in favour of any Optionee.

13. REPLACEMENT OF PREVIOUS PLAN: The Plan replaces and supersedes the Plan approved by special resolution of the shareholders of the Company on October 30, 2003.
