VOTING INFORMATION

Voting by Proxy

Voting by proxy means that you are giving the person or people named on your form of proxy (proxyholder) the authority to vote your Common Shares for you at the Meeting or any adjournment thereof. A form of proxy (the “Form of Proxy”) is included in this package.

You can choose from three different ways to vote your shares by proxy:

1. by mail or delivery;
2. by telephone; or
3. on the Internet.

A shareholder has the right to appoint a person, who need not be a shareholder, other than the persons designated in the Form of Proxy, to attend and act on behalf of the shareholder at the Meeting. Unless you appoint someone else to be your proxyholder in accordance with the instructions provided herein, the directors or officers who are named on the Form of Proxy will vote your shares for you. If you appoint someone else, he or she must be present at the Meeting to vote your shares.

If you are voting your shares by proxy, Computershare Investor Services Inc. (the “Transfer Agent”) must receive your completed form of proxy by no later than 2:00 p.m. on Thursday, October 4, 2012 or, if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays and holidays) prior to the adjourned meeting.

Registered and Non-Registered (or Beneficial) Shareholders

You are a registered shareholder if your name appears on your share certificate. You will receive the Form of Proxy if you are a registered shareholder.

You are a non-registered (or beneficial) shareholder if your bank, trust company, securities broker or other financial institution holds your shares for you (your nominee). If you are a non-registered (or beneficial) shareholder, you will receive a voting instruction form or form of proxy from the Company, the institution that holds your shares or their respective agents.

How to vote — registered shareholders

1. By proxy

- (a) By mail or delivery
 - (i) To vote by mail or delivery, your paper proxy must be completed, signed, dated and returned in accordance with the instructions on the Form of Proxy.

- (b) By telephone
 - (i) To vote by telephone, call the toll-free number shown on the Form of Proxy. Using a touch-tone telephone to select your voting preferences, follow the instructions of the “vote voice” and refer to the directions on the Form of Proxy.
 - (ii) Note that voting by telephone is not available if you wish to appoint a person as a proxy holder other than the persons named on the Form of Proxy. In such a case, your proxy should be voted by mail, delivery or the Internet.

- (c) On the Internet
 - (i) To vote your proxy on the Internet, visit the website address as shown on the Form of Proxy. Follow the on-line voting instructions given on the Form of Proxy.

- (d) By appointing another person to go to the Meeting and vote your shares for you
 - (i) This person does not have to be a shareholder.
 - (ii) Strike the names that are printed on the Form of Proxy and write the name of the person you are appointing in the space provided. Complete your voting instructions, date and sign the Form of Proxy, and return it to the Transfer Agent as instructed.
 - (iii) Make sure that the person you appoint is aware that he or she has been appointed and attends the Meeting.
 - (iv) At the Meeting, the person appointed should see the scrutineers from the Transfer Agent at the registration table.

2. In person at the Meeting

You do not need to complete or return the Form of Proxy.

You should see a representative of the Transfer Agent before entering the Meeting to register your attendance at the Meeting.

Voting in person at the Meeting will automatically cancel any proxy you completed and submitted earlier.

How to vote — non-registered (or beneficial) shareholders

These securityholder materials are being sent to both registered and non-registered owners of the Common Shares, either directly by the Company or indirectly through your nominee or your nominee’s agent.

If you are a non-registered owner of Common Shares and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf. In such case, the Company (and not the intermediary holding Common Shares on your behalf) assumes

responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the Form of Proxy.

If you have received these materials indirectly through your nominee or your nominee's agent, you will receive the nominee's form of proxy, which is substantially similar to the Form of Proxy, the sole purpose of which is to instruct the registered holder of the Common Shares (i.e. the nominee) how to vote on your behalf (the "Voting Instruction Form").

1. By proxy

- (a) Please contact your nominee or the Company if you did not receive a Voting Instruction Form or the Form of Proxy in this package.
- (b) In most cases, you will receive a Voting Instruction Form that allows you to provide your voting instructions by telephone, on the Internet or by mail or delivery. If you want to provide your voting instructions on the Internet, go to the website noted on your Voting Instruction Form or Form of Proxy and follow the instructions on the screen.
- (c) Some Voting Instruction Forms may be required to be completed and returned, as directed in the instructions provided; or have been pre-authorized by your nominee indicating the number of shares to be voted, which is to be completed, dated, signed and returned to the Transfer Agent by mail.

2. In person at the Meeting

- (a) The Transfer Agent does not have access to the names or holdings of our non-registered shareholders. That means you can only vote your shares in person at the Meeting if you appoint yourself proxy holder by printing your name in the space provided on the Voting Instruction Form or Form of Proxy provided to you.
- (b) Your vote will be taken and counted at the Meeting.
- (c) Prior to the Meeting, you should see the scrutineers from the Transfer Agent at the registration table.

Completing the Form of Proxy

If you specify a choice on the Form of Proxy with respect to any matter to be acted upon at the Meeting, your shares will be voted accordingly. **If you return the Form of Proxy and do not tell us how you want to vote your Common Shares, your vote will be counted: (i) FOR the ordinary resolution fixing the number of directors to be elected at seven (7); (ii) FOR the election of the nominees for director listed under "Election of Directors"; (iii) FOR the appointment of the auditors named under "Appointment of Auditors"; (iv) FOR the ordinary resolution approving the Share Award Plan as described in this Circular; (v) FOR the ordinary resolution approving the Stock Option Plan as described in this Circular; and (vi) FOR the special resolution empowering the Board to determine from time to time the number of**

directors within the minimum and maximum numbers as set out in the Articles of the Company, as described in this Circular.

Your proxy holder will also vote your shares as s/he sees fit on any amendment or variation to matters identified in the Notice of Meeting or any other matter that may properly come before the Meeting. As of the date of this Circular, management is unaware of any such amendment, variation or other matter proposed or likely to come before the Meeting.

If you have appointed a person other than Paul Parisotto or Wesley Hanson to vote your shares and you do not specify how you want your shares voted, your proxy holder will vote your shares as he or she sees fit on each item and on any other matter that may properly come before the Meeting.

Amendment to Stock Option Plan

The Company's stock option plan (the "Stock Option Plan") was established on October 30, 2007 and amended and restated and approved by the Company's shareholders on October 11, 2011. The Stock Option Plan, is a "rolling" stock option plan such that the current maximum number of shares that may be reserved for issuance under the Stock Option Plan and under any other stock options of the Company, shall not exceed 10% of the common shares issued and outstanding (on a non-diluted basis) at any time and from time to time. 10% of the number of Common Shares of the Company issued and outstanding as of the Record Date of this Circular is equal to 23,029,766 Common Shares.

On August 14, 2012, the Board passed a resolution approving certain amendments (the "Amendments") to the Stock Option Plan, subject to shareholder and all regulatory and stock exchange approvals. The Amendments provide that the total number of Common Shares issuable pursuant to the granting and exercise of options under the Stock Option Plan, and any other stock options of the Company, or made available under any other share compensation arrangement of the Company (which includes the Share Award Plan) shall not, in the aggregate, exceed 10% of the common shares issued and outstanding (on a non-diluted basis) at any time and from time to time. Finally, the Amendments include an increase in the termination period for options granted to certain optionees who have ceased to be eligible participants under the Stock Option Plan, from a maximum of three months to a maximum of 12 months.

The Amendments were required to ensure that, as a result of the enactment of the Share Award Plan, the aggregate number of Common Shares reserved for issuance under the Stock Option Plan and made available pursuant to grants of awards under the Share Award Plan will not exceed 10% of the number of shares of the Company issued and outstanding. The additional Amendments were implemented in order to ensure that the terms of the Stock Option Plan were consistent with the terms of the Share Award Plan.

A copy of the Stock Option Plan, as amended, is attached hereto as Appendix "C".

The material terms of the Stock Option Plan are as follows:

1. In no case may the issuance of shares under the Stock Option Plan and any other share compensation arrangement of the Company result in:
 - (a) the number of shares reserved for issuance pursuant to options granted:
 - (i) to any one person exceeding 5% of the Company's issued and outstanding share capital;
 - (b) the number of shares issued within a one year period:
 - (i) to insiders exceeding 10% of the Company's issued and outstanding share capital;
 - (ii) to any optionee exceeding 5% of the Company's issued and outstanding share capital;
 - (iii) to any consultant exceeding 2% of the Company's issued and outstanding share capital.

2. The exercise price of any option issued under the Plan shall not be less than the market value of the Company's shares as of the date of the grant, less the allowable discount by the TSX-V.
3. The expiry date of an option under the Stock Option Plan shall be the date so fixed by the Board on the date of the grant, provided such expiry date shall be no later than the fifth anniversary of the date of the grant.
4. Options issued under the Stock Option Plan expire no more than one year after the date of the optionee ceases to be an employee, director or officer of the Company. Options issued under the Stock Option Plan may be exercised by the optionee's legal representative during said year.
5. The Stock Option Plan provides that the Board has the discretion to deem that an option be exercisable immediately, in full, notwithstanding that it has vesting provisions, upon the occurrence of certain events, such as a friendly or hostile takeover bid for the Company.
6. Options issued under the Stock Option Plan may not be assigned or transferred.

Adoption of the Stock Option Plan, as amended, is subject to the prior approval of the TSX-V.

At the Meeting, the shareholders will be asked to consider and, if thought advisable, approve a resolution to approve the Stock Option Plan (the "Stock Option Plan Resolution"), the text of which is as follows:

NOW THEREFORE BE IT RESOLVED THAT:

1. the Stock Option Plan and the Amendments to the Stock Option Plan be and are hereby approved, confirmed and ratified; and
2. any one director or officer of the Company be and is hereby authorized and directed to execute and deliver on behalf of the Company all such documents and instruments and to do all such other acts and things as in his or her opinion may be necessary or desirable in connection with the foregoing.

At the Meeting, the shareholders of the Company will also be asked to approve a special resolution empowering the directors to determine the number of directors of the Company within the minimum and maximum number provided for in the Articles of Continuance of the Company and to appoint additional directors in accordance with the provisions of the OBCA (the "Number of Directors Resolution"), the text of which is as follows:

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Discussion and Analysis provides information regarding all significant elements of compensation paid, payable, granted, given or otherwise provided by the Company to (i) Wesley C. Hanson, the President and Chief Executive Officer, (ii) Paul G. Semple, the Chief Operating Officer, (iii) Gregory Rieveley, the Chief Financial Officer, (iv) Leanne Hall, Vice President Human Resources and (v) Glenn Nolan, Vice President Aboriginal Affairs (collectively the "Named Executive Officers" or "NEOs").

Role of the Compensation Committee

The Board of Directors administers the compensation programs of the Company with the assistance of the Compensation Committee. The Compensation Committee consists of three directors: Mr. Joe Hamilton, Mr. Paul Parisotto and Mr. Ted Bassett. All members of the Compensation Committee are independent directors of the Company. The Compensation Committee reviews and makes decisions in respect of compensation matters relating to the NEOs and directors of the Company, ensuring consistent application of matters relating to remuneration, competitive remuneration and policies to attract and retain talent and ensuring that executive remuneration is consistent with industry standards.

The Compensation Committee is responsible for (a) developing compensation philosophy and policy; (b) review and approval of goals and objectives relevant to the Chief Executive Officer's compensation, evaluating the performance of the Chief Executive Officer, and making recommendations to the Board for the Chief Executive Officer's compensation based on the evaluation; (c) reviewing and making recommendations to the Board with respect to compensation of other senior executives other than the Chief Executive Officer; (d) making recommendations to the

Board with respect to the form of compensation for senior executives and directors; and (e) reviewing executive compensation disclosure.

Objectives of Compensation Programs

The Board recognizes that the NEOs are critical to achieve the vision and mission of the Company, the primary focus being the successful financing, development and operation of the Eagle's Nest deposit, and that compensation plays a critical role in achieving the short and long-term objectives that drive success.

The Compensation Committee has established compensation policies reflecting the Company's philosophy regarding executive compensation that:

- Provide competitive compensation sufficient to attract, retain and motivate high-performing senior executives with the requisite skills to achieve the Company's strategy;
- Align compensation directly to achievements of corporate and personal performance objectives that are directly related to the Company's strategy;
- Encourage the execution of goals and objectives consistent with the Company's vision, mission and values; and
- Align with the interests of the Company's stakeholders.

Benchmarking

The Compensation Committee benchmarks NEO and director compensation using companies in the same industry, of similar size and in similar stage of development.

Elements of Compensation

Compensation for the Company's NEOs for the fiscal year ended April 30, 2012, consists of the following three components:

(i) Base Salary

Base salary is designed to remunerate the NEOs for discharging their duties and responsibilities and therefore considers the position and responsibilities of the NEO, previous experience, prior performance, anticipated contribution. Salary levels are benchmarked against peer group companies at the direction of the Compensation Committee.

(ii) Short Term Incentive Compensation ("Bonus")

In addition to base salary, the NEOs are eligible to receive an annual incentive bonus, payable in cash, options or a combination thereof and based on the achievement of performance objectives which are linked to the Company's strategy and short term goals for each fiscal year.

Target bonus awards range from 30% to 100% and are again based on the position and responsibilities of the NEO. Target bonus levels are benchmarked against peer group companies at the direction of the Compensation Committee.

Target bonus awards are based on annual performance of key metrics that consider the long and short term objectives established by Management and approved by the Board as well as performance relative to the Company's mission, vision and values.

(iii) Stock Options (“Options”)

Grant ranges have been established independently each time grants of stock options were made to provide competitive long-term incentive value, with significant recognition of contribution and potential of the individual. The options have a maximum five-year term and an exercise price equal to market price at time of grant. The periodic award of options under the Stock Option Plan is determined by the Board, is discretionary and takes into account previous option awards.

NEO performance considers the following Key Performance Indicators (“KPIs”):

- Health, Safety and Environmental Performance;
- Market Value;
- Fiscal Management;
- Technical Performance;
- Public Relations; and
- Personal Performance.

Each KPI considers specific tasks that cascade from the short and long-term objectives of the Company as well as the Company’s vision, mission and values.

Each NEO’s performance is ranked on a scale of 1 to 5 against the tasks for which the NEO is responsible and for which the NEO’s duties affect the outcome. For example, the CFO has no direct responsibilities related to Technical Performance while the COO has no direct influence on Market Value.

Each task for which the NEO has direct influence is ranked on a scale of 1 to 5 as described below.

- 1 Significantly failed to meet expectations;
- 2 Failed to meet expectations;
- 3 Met expectations;
- 4 Exceeded expectations; and
- 5 Significantly exceeded expectations.

Individual bonuses are based on the NEO’s performance against the KPI’s as described above.

Long- term Incentive Compensation

Long-term incentives are intended to align the interests of NEOs with the interests of stakeholders by motivating NEOs to increase shareholder value over the long-term. Targets for long-term incentives are benchmarked to the market for competitiveness, consider the value of the NEOs contribution to the long-term success of the Company and the percentage of compensation that the Compensation Committee determines should be at risk. The award targets are modified based on NEO performance, corporate performance and the anticipated contribution of the NEO.

Long term incentive compensation may take the form of stock options, deferred share units (“DSUs”), restricted share units (“RSUs”) and other share based awards.

Under the Company's current Incentive Stock Option Plan, only stock options have been approved by shareholders as long-term incentive compensation.

All stock option grants awarded by the Company are approved by the Board of Directors. All option grants have a five year term and the exercise price is equal to market price at the time the option grant is approved by the Board.

CORPORATE GOVERNANCE

The securities regulatory authorities in Canada adopted National Instrument 58-101-Disclosure of Corporate Governance Practices (“NI-58-101”) and National Policy 58-201 Corporate Governance Guidelines (“NP-58-201”), which contain a series of guidelines for effective corporate governance and related disclosure. The guidelines deal with such matters as the constitution and independence of corporate boards, their functions, the experience and education of board members and other items dealing with sound corporate governance.

Noront considers good corporate governance to be central to the effective and efficient operation of its business and is committed to implementing high standards of corporate governance and reporting. The Board reviews and formulates policies with respect to corporate governance issues. Noront attempts, so far as is practical and reasonable, given the nature of Noront’s business and available resources, to seek to adhere to the guidelines outlined in NP 58-201.

Noront reviews its corporate governance practices annually. Corporate governance practice improvements which have come into effect over the past year include:

- directing management to review internal control over financial reporting including independent testing of controls
- adopting as a matter of practice, the principle that a portion of each meeting of the Board be devoted to a meeting of non-management directors without management present

In addition, Noront can provide the following summary of its corporate governance policies:

Grants under the Plan may be made in the form of Awards, which Awards may include the following: (i) share appreciation rights, (ii) restricted shares, (iii) restricted share units, (iv) performance shares and performance share units, and (v) other equity-based or equity related awards that the Committee determines to be consistent with the purpose of the Plan and the interests of the Company.

4. Number of Common Shares Available for Awards

- (a) The maximum number of Common Shares made available as Awards pursuant to the Plan shall be 4,000,000 Common Shares. In the event that Common Shares made available as Awards granted pursuant to the Plan are subsequently cancelled, new Awards may be granted covering the Common Shares cancelled.
- (b) Limits with respect to number of Common Shares available for Awards:
 - (i) General: The number of Common Shares made available as Awards granted to any one individual pursuant to the Plan and reserved for issuance under any other Share Compensation Arrangement shall not exceed 1% of the outstanding Common Shares at the time of the grant. An individual shall not be issued, pursuant to this Plan and any other Share Compensation Arrangement, within any 12 month period, a number of Common Shares which exceeds 2% of the outstanding Common Shares;
 - (ii) Insiders: The aggregate number Common Shares made available as Awards granted to Insiders pursuant to the Plan and reserved for issuance under any other Share Compensation Arrangement shall not exceed 10% of the outstanding Common Shares. For purposes of this section, the number of Common Shares then outstanding shall mean the number of Common Shares outstanding on a non-diluted basis immediately prior to the proposed grant of the applicable Award or issue of Common Shares, as the case may be, excluding Common Shares issued pursuant to any Share Compensation Arrangement over the preceding one-year period.

5. Agreements Evidencing Awards

Each Award granted under this Plan shall be evidenced by a written document which shall contain such provisions and conditions as the Committee in its discretion deems appropriate. The Committee may grant Awards in tandem with or, subject to pre-clearance with the Stock Exchange, in substitution for any other Award granted under this Plan. By accepting an Award pursuant to the Plan, a Participant thereby agrees that the Award shall be subject to all of the terms and conditions of this Plan and the applicable Award Agreement.

6. No Rights as a Shareholder

No Participant shall have any of the rights of a shareholder of the Company with respect to Common Shares subject to such Award until the issuance of a Certificate for such Common Shares. Except as otherwise provided in Section 10, no adjustments shall be made for dividends, distributions or other rights (whether ordinary or extraordinary, and whether in cash, securities or other property) for which the record date is prior to the date such Certificate is issued.

7. Awards

(a) The Committee shall advise each Participant of the type and number of Awards that such Participant is entitled to, the terms of such Award (which may not exceed ten years from the relevant Date of Grant) and the vesting schedule, if applicable, of such Award.

(b) Each Award granted to a Participant shall be evidenced by an Award Agreement setting out terms and conditions consistent with the provisions of the Plan, which terms and conditions need not be the same in each case and which terms and conditions may be changed from time to time.

(i) Share Appreciation Rights

The Committee may grant share appreciation rights to Participants in such amounts and subject to such terms and conditions as the Committee shall determine in its discretion. The grantee of a share appreciation right shall have the right, subject to the terms of the Plan and the applicable Award Agreement, to receive from the Company an amount equal to (a) the excess of the Fair Market Value of a Common Share on the date of exercise of the share appreciation right, over (b) the exercise price of such right as set forth in the Award Agreement, multiplied by (c) the number of Common Shares with respect to which the share appreciation right is exercised. Payment upon exercise of a share appreciation right may be in cash, Common Shares (valued at Fair Market Value), or any combination thereof, all as the Committee shall determine in its discretion.

(ii) Restricted Shares

The Committee may grant Awards of restricted shares to Participants in such amounts and subject to such terms and conditions as the Committee may determine in its discretion, as follows:

A. At the time of the grant, the Committee may determine when a restricted share will become vested and may determine that the restricted share shall be vested in instalments on such terms as the Committee deems advisable. Unless otherwise provided by the Committee, restricted shares will vest as to 1/6 of the restricted shares granted on each of the six month and one year anniversary of the Date of Grant and 1/3 of the restricted shares granted on each of the second and third year anniversaries of the Date of Grant, provided that the Participant is an Eligible Employee, Eligible Director, Consultant or Other Participant at the time of vesting.

B. Promptly after a Participant accepts an Award of restricted shares and executes an Award Agreement, the Company shall issue in the Participant's name a Certificate for the number of Common Shares granted as restricted shares. Upon the issuance of such Certificate, the Participant shall have the rights of a shareholder with respect to the restricted shares, subject to any restrictions and conditions as the Committee in its discretion may include in the applicable Award Agreement. Unless the Committee shall otherwise determine, any Certificate issued evidencing Common Shares which are restricted shares shall remain in the possession of the Company or its designated agent until such

Common Shares are free of any restrictions specified in the applicable Award Agreement.

- C. Notwithstanding the restrictions on transfer and assignment of Awards provided in section 12 of this Plan, the Committee at the time of grant may specify the date or dates (which may depend upon or be related to the attainment of performance goals and other conditions) on which the non-transferability of the restricted shares shall lapse.

(iii) Restricted Share Units

The Committee may grant Awards of restricted share units to Participants in such amounts and subject to such terms and conditions as the Committee shall determine in its discretion. A Participant who is granted a restricted share unit will have only the rights of a general unsecured creditor of the Company until payment of Common Shares, cash or other securities or property is made as specified in the applicable Award Agreement. On the payment date, the Participant of each restricted share unit not previously forfeited under the terms of the applicable Award Agreement shall receive Common Shares, cash, securities or other property equal in value to the Common Shares or a combination thereof, as specified by the Committee.

(iv) Performance Shares and Performance Share Units

The Committee may grant Awards of performance shares to Participants in the form of (a) Common Shares or (b) performance share units having a value equal to an identical number of Common Shares, in such amounts and subject to such terms and conditions as the Committee shall determine in its discretion. A Participant who is granted a performance share unit will have only the rights of a general unsecured creditor of the Company until payment of Common Shares, cash or other securities or property is made as specified in the applicable Award Agreement. In the event that a Certificate is issued in respect of an Award of performance shares, such Certificate shall be registered in the name of the Participant but shall be held by the Company or its designated agent until the time the performance shares are earned in accordance with the terms of the grant. The Committee shall determine in its sole discretion whether performance shares and performance share units shall be paid in Common Shares, cash, securities or other property, or a combination thereof.

(v) Other Equity-Based Awards

The Committee may grant other types of equity-based or equity-related Awards to Participants (including the grant of unrestricted Common Shares) in such amounts and subject to such terms and conditions as the Committee shall in its discretion determine. Such Awards may entail the transfer of actual Common Shares to Participants, or payment in cash or otherwise of amounts based on the value of Common Shares, and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of foreign jurisdictions.

8. Withholding of Tax

If the Company determines that under the requirements of applicable taxation laws it is obliged to withhold for remittance to a taxing authority any amount as a condition of the issuance of any Common Shares pursuant to any Awards, the Company may, prior to and as a condition of issuing the Common Shares, require the Participant to pay to the Company, in addition to and in the same manner as the purchase price for the Common Shares, such amount as the Company is obliged to remit to such taxing authority in respect of the issuance of the Common Shares. Any such additional payment shall, in any event, be due no later than the date as of which any amount with respect to the

issuance of the Common Share exercise must be remitted by the Company to such taxing authority. Payment may be in cash or, with the prior approval of and upon conditions established by the Committee, by withholding or tendering of Common Shares, valued at the closing trading price of the Common Shares on the Stock Exchange for the previous day prior to the date in question.

9. Adjustment in Shares

- (a) The number of Common Shares subject to this Plan, the number of Common Shares available as Awards and cash value allocated to Awards shall be adjusted from time to time, in such manner and by such procedure deemed appropriate by the Committee, subject to applicable law and the applicable rules and policies of the Stock Exchange to reflect adjustments in the number of Common Shares arising as a result of rights offering, consolidation, subdivision or reclassification of Common Shares, the payment of stock dividends by the Company or other relevant changes in the authorized or issued capital of the Company.
- (b) If there is a consolidation, merger or statutory amalgamation or arrangement of the Company with or into another corporation, a separation of the business of the Company into two or more entities or a sale, lease exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company to another entity (the right to do so being hereby expressly reserved), any Common Share receivable on the vesting of an Award shall be converted into the securities, property or cash which the Participant would have received upon such consolidation, merger, amalgamation, arrangement, separation or transfer, if the Participant had been vested in the Award immediately prior to the effective date of such consolidation, merger, amalgamation, arrangement, separation or transfer, subject to applicable law and the applicable rules and policies of the Stock Exchange, and such adjustment shall be binding for all purposes of the Plan, unless the Committee otherwise determines the basis upon which such Award shall be converted.
- (c) In the event of a change in the Company's currently authorized Common Shares which is limited to a change in the designation thereof, the shares resulting from any such change shall be deemed to be Common Shares within the meaning of the Plan.
- (d) In the event of any other change affecting the Common Share, such adjustment, if any, shall be made as may be deemed equitable by the Committee to properly reflect such event.
- (e) No fractional Common Shares shall be issued on the vesting of an Award. Accordingly, if, as a result of any adjustment under this Section 10, a Participant would become entitled to a fractional Common Share, the Participant shall have the right to acquire only the adjusted number of full Common Shares and no payment or other adjustment will be made with respect to the fractional Common Shares so disregarded.

10. Required Consents

- (a) If the Committee shall at any time determine that any consent (as hereinafter defined) is necessary or desirable as a condition of, or in connection with, the granting of any Award, the issuance of Common Shares or the delivery of any cash, securities or other property under the Plan, or the taking of any other action thereunder (each such action being hereinafter referred to as a "plan action"), then such plan action shall not be taken, in whole or in part, unless and until such consent shall have been effected or obtained to the full satisfaction of the Committee.
- (b) The term "consent" as used herein with respect to any plan action includes (i) any and all listings, registrations or qualifications in respect thereof upon any stock exchange or under any applicable law, rule or regulation, (ii) any and all written agreements and representations by the grantee with respect to the disposition of shares, or with respect to any other matter, which the Committee shall deem necessary or desirable to comply with the terms of any such listing, registration or

qualification or to obtain an exemption from the requirement that any such listing, qualification or registration be made and (iii) any and all other consents, clearances and approvals in respect of a plan action by any governmental or other regulatory body or any stock exchange or self-regulatory agency having jurisdiction.

11. Transfer and Assignment

Except to the extent otherwise provided in the applicable Award Agreement, no Award or right granted to any person under the Plan shall be sold, exchanged, transferred, assigned, pledged, hypothecated or otherwise disposed of (including through the use of any cash-settled instrument) other than by will or by the laws of descent and distribution in accordance with Section 13, and all such Awards and rights shall be exercisable during the life of the grantee only by the grantee or the grantee's legal representative. Notwithstanding the immediately preceding sentence, the Committee may permit, under such terms and conditions that it deems appropriate in its sole discretion, a grantee to transfer any Award to any person or entity that the Committee so determines.

12. Effect of Death.

If a Participant or, in the case of an Other Participant which is not an individual, the primary individual providing services to the Company or Designated Affiliates on behalf of the Other Participant, shall die, any Award that would have vested within 12 months after the date of such death of the Participant or Other Participant shall immediately vest notwithstanding section 8(b)(ii)(A), respectively, and such Awards shall vest in whole or in part only by the person or persons to whom the rights of the Award holder under the Award shall pass by the will of the Award holder or the laws of descent and distribution for a period of six months (or such other period of time as is otherwise provided in an Employment Contract) after the date of death of the Award holder, and then only to the extent that such Award holder was entitled to exercise the Award at the date of the death of such Award holder in accordance with Section 20 of this Plan.

13. Employment and Board Position Non-Contractual

The granting of an Award to a Participant under this Plan does not confer upon the Participant any right to continue as an Eligible Employee, Eligible Director, Consultant or Other Participant, as the case may be, nor does it interfere in any way with the right of the Participant or the Company to terminate the Participant's employment or a Consulting Contract at any time, or the shareholders' right to elect or remove Directors.

14. Administration of Plan

- (a) The Plan shall be administered by the Committee. Subject to any limitations of the Plan and regulatory requirements the Committee shall have full authority to administer the Plan including the authority to interpret and construe any provision of the Plan and to adopt, amend and rescind such rules and regulations for administering the Plan as the Committee may deem necessary or desirable in order to comply with the requirements of the Plan. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and conclusive and shall be binding on the Participants and the Company. No member of the Committee shall be personally liable for any action taken or determination or interpretation made in good faith in connection with the Plan and all members of the Committee shall, in addition to their rights as Directors, be fully protected, indemnified and held harmless by the Company with respect to any such action taken or determination or interpretation made. The appropriate officers of the Company are hereby authorized and empowered to do all things and execute and deliver all instruments, undertakings and applications and writings as they, in their absolute discretion, consider necessary or desirable for the implementation of the Plan and of the rules and regulations established for administering the Plan. All costs incurred in connection with the Plan shall be for the account of the Company.
- (b) Any determination by the Committee shall be final and conclusive on all persons affected thereby unless otherwise determined by the Board of Directors.

- (c) The day to day administration of this Plan may be delegated to such officers and employees as the Committee shall determine.

15. Acceleration on Take-over Bid, Consolidation, Merger, etc.

In the event that:

- (a) the Company seeks or intends to seek approval from the shareholders of the Company for a transaction which, if completed, would constitute an Acceleration Event (as defined below); or
- (b) a person makes a bona fide offer or proposal to the Company or the shareholders of the Company which, if accepted or completed, would constitute an Acceleration Event,

the Company shall send notice to all Participants of such transaction, offer or proposal as soon as practicable and, provided that the Committee has determined that no adjustment will be made pursuant to section 10(b) hereof, (i) the Committee may, by resolution and notwithstanding any vesting schedule applicable to any Award or section 8(b)(ii)(A) hereof, permit all Awards outstanding which have restrictions on their exercise to become immediately exercisable during the period specified in the notice (but in no event later than the applicable expiry date of an Award), so that the Participant may participate in such transaction, offer or proposal, and (ii) the Committee may accelerate the expiry date of such Awards and the time for the fulfillment of any conditions or restrictions on such exercise.

In this section 15, an Acceleration Event means:

- (a) the acquisition by any “offeror” (as defined in section 89 of the Securities Act (Ontario) as of the date hereof) of beneficial ownership of more than 50% of the votes attached to the outstanding voting securities of the Company, by means of a take-over bid or otherwise;
- (b) any consolidation, merger, statutory amalgamation or arrangement involving the Company and pursuant to which the Company will not be the continuing or surviving corporation or pursuant to which the Common Shares will be converted into cash or securities or property of another entity, other than a transaction involving the Company and in which the shareholders of the Company immediately prior to the completion of the transaction will have the same proportionate ownership of the surviving corporation immediately after the completion of the transaction;

16. Securities Exchange Take-over Bid.

In the event that the Company becomes the subject of a take-over bid (within the meaning of the *Securities Act* (Ontario)) as a result of which all of the outstanding Common Shares are acquired by the offeror through compulsory acquisition provisions of the incorporating statute or otherwise, and where consideration is paid in whole or in part in equity securities of the offeror, the Committee may send notice to all Participants requiring them to surrender their Awards within 10 days of the mailing of such notice, and the Participants shall be deemed to have surrendered such Awards on the tenth day after the mailing of such notice without further formality, provided that:

- (a) the Committee delivers with such notice an irrevocable and unconditional offer by the offeror to grant replacement awards to the Participants on the equity securities offered as consideration;

- (b) the Committee has determined, in good faith, that such replacement awards have substantially the same economic value as the Awards being surrendered; and

18. Corporate Action

Nothing contained in this Plan or any Award granted shall be construed so as to prevent the Company or any subsidiary of the Company from taking corporate action which is deemed by the Company or the subsidiary to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or on any Award granted.

19. Termination of Awards under the Plan

- (a) If (X) a Participant's employment with the Company terminates, whether for or without cause and whether with or without reasonable notice, or (Y) a Participant who is an Eligible Director, Consultant or Other Participant ceases to be an Eligible Director, Consultant or Other Participant, as the case may be, due to:

- (b) the admission of such Common Shares to listing on any stock exchange in Canada or the United States on which Common Shares may then be listed; and
- (c) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Common Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

In this connection, the Company shall take all reasonable steps to obtain such approvals and registrations as may be necessary for the issuance of such Common Shares in compliance with applicable securities laws and for the listing of such Common Shares on a stock exchange in Canada or the United States on which the Common Shares are then listed.

24. Independent Advice

Each Participant acknowledges that he or she has been advised to retain independent legal, tax and financial advisors at his or her own expense and agrees that any failure on his or her part to retain legal, tax or financial advisors shall not affect the validity of this Plan.

APPENDIX "C"

NORONT RESOURCES LTD.

AMENDED 2007 INCENTIVE STOCK OPTION PLAN

1. **PURPOSE:** The purpose of this Stock Option Plan (the "Plan") is to encourage common stock ownership in Noront Resources Ltd. (the "Company") by directors, officers, employees (including part time employees employed by the Company for less than (20) hours per weeks) and consultants (including individuals whose services are contracted through a wholly-owned personal holding company) of the Company or any Affiliate, as that term is defined in the Securities Act (Ontario), of the Company or by wholly owned personal holding companies of any such officers, directors or employees or by registered retirement savings plans established by any such officers, directors or employees (hereinafter referred to as "Optionees") who are primarily responsible for the management and profitable growth of its business and to advance the interests of the Company by providing additional incentive for superior performance by such persons and to enable the Company to attract and retain valued directors, officers and employees by granting options (the "Options" or "Option") to purchase common shares of the Company on the terms and conditions set forth in this Plan and any Stock Option Agreements entered into between the Company and the Optionees in accordance with the Plan. Any Options granted to a wholly-owned personal holding company shall be cancelled immediately upon any change in control of such personal holding company, save and except in the event of the death of the principal of such personal holding company, in which case, subject to the terms of the Stock Option Agreement, the provisions of subparagraph 5(f)(iii) shall apply.
2. **ADMINISTRATION:** The Plan shall be administered by the Board of Directors from time to time of the Company (the "Administrator"). No member of the Board of Directors shall by virtue of such appointment be disentitled or ineligible to receive Options. The Administrator shall have full authority to interpret the Plan and to make such rules and regulations and establish such procedures as it deems appropriate for the administration of the Plan, taking into consideration the recommendations of management, and the decision of the Administrator shall be binding and conclusive. The decision of the Administrator shall be binding, provided that notwithstanding anything herein contained, the Administrator may from time to time delegate the authority vested in it under this clause to the President who shall thereupon exercise all of the powers herein given to the Administrator, subject to any express direction by resolution of the Board of Directors of the Company from time to time and further provided that a decision of the majority of persons comprising the Board of Directors in respect of any matter hereunder shall be binding and conclusive for all purposes and upon all persons. The senior officers of the Company are authorized and directed to do all things and execute and deliver all instruments, undertakings and applications as they in their absolute discretion consider necessary for the implementation of the Plan.
3. **NUMBER OF SHARES SUBJECT TO OPTIONS:** The Board of Directors of the Company will make available that number of common shares for the purpose of the Plan that it considers appropriate except that the number of common shares that may be issued pursuant to the exercise of Options under the Plan and under any other stock options of the Company or under any other share compensation arrangement of the Company shall not, in the aggregate, exceed 10% of the common shares issued and outstanding (on a non-diluted basis) at any time and from time to time. In the event that Options granted under the Plan, and under any other stock options of the Company which may be in effect at a particular time, are surrendered, terminate or expire without being exercised in whole or in part, new Options may be granted covering the common shares not purchased under such lapsed Options.
4. **PARTICIPATION:** Options shall be granted under the Plan only to Optionees as shall be designated from time to time by the Administrator and shall be subject to the approval of such regulatory authorities as the Administrator shall designate, which shall also determine the number of shares subject to such Option. Optionees who are consultants of the Company or an Affiliate of the Company must either perform services for the Company on an ongoing basis or provide, or be expected to provide, a service of value to the Company or to an Affiliate of the Company. The Company represents that no option shall be granted to any Employee or Consultant who is not a bona fide Employee or Consultant.

5. TERMS AND CONDITIONS OF OPTIONS: The terms and conditions of each Option granted under the Plan shall be set forth in written Stock Option Agreements between the Company and the Optionee. Such terms and conditions shall include the following as well as such other provisions, not inconsistent with the Plan, as may be deemed advisable by the Administrator:
- (a) Number of Shares subject to Option to any one Optionee: The number of shares subject to an Option shall be determined from time to time by the Administrator; but no one Optionee shall be granted an Option which when aggregated with any other options or common shares allotted to such Optionee under the Plan and under any other stock options of the Company or under any other share compensation arrangement of the Company exceeds 5% of the issued and outstanding common shares of the Company (on a non-diluted basis), the total number of Options granted to any one Optionee in any 12 month period shall not exceed 5% of the issued and outstanding common shares of the Company (on a non-diluted basis) unless the Company has obtained disinterested shareholder approval, the total number of Options granted to all Insiders (as defined by the TSX Venture Exchange) in any 12 month period shall not exceed 10% of the issued and outstanding common shares of the Company (on a non-diluted basis). The total number of options granted to any one consultant in any 12 month period shall not exceed 2% of the issued and outstanding common shares of the Company (on a non-diluted basis). The total number of options granted to all persons, including employees, providing investor relations activities to the Company in any 12 month period shall not exceed 2% of the issued and outstanding common shares of the Company (on a non-diluted basis). The Option Price per common share shall be determined in accordance with subparagraph (b) below. Options granted to persons providing investor relations activities must vest over a 12 month period with no more than 25% of the options vesting in any quarter.
 - (b) Option Price: The Option Price of any shares in respect of which an Option may be granted under the Plan shall be not less than the Market Price less the allowable discount permitted by the TSX Venture Exchange or in accordance with the pricing rules of any other stock exchange on which the common shares of the Company may trade in the future.

In the resolution allocating any Option, the Administrator may determine that the date of grant aforesaid shall be a future date determined in the manner specified by such resolution. The Administrator may also determine that the Option Price per share may escalate at a specified rate dependent upon the year in which any Option to purchase common shares may be exercised by the Optionee. No options granted to Insiders (as defined by the TSX Venture Exchange) may be repriced without the approval of a majority of disinterested shareholders of the Company exclusive of any Insiders.

- (a) Payment: The full purchase price of shares purchased under the Option shall be paid in cash upon the exercise thereof. A holder of an Option shall have none of the rights of a stockholder until the shares are issued to him. All common shares issued pursuant to the exercise of Options granted or deemed to be granted under the Plan, will be so issued as fully paid and non-assessable common shares. No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares subject to an Option under this Plan, unless and until certificates for such common shares are issued to him or them under the terms of the Plan.
- (b) Term of Options: Options may be granted under this Plan exercisable over a period not exceeding five (5) years. Each Option shall be subject to earlier termination as provided in subparagraph (f) below.
- (c) Exercise of Options: The exercise of any Option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of common shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such common shares with respect to which the Option is exercised. An Option may be exercised in full or in part during any year of the term of the Option

as provided in the written Stock Option Agreement; provided however that except as expressly otherwise provided herein or as provided in any valid Stock Option Agreement approved by the Administrator, no Option may be exercised unless that Optionee is then a director and/or in the employ of the Company. This Plan shall not confer upon the Optionee any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate of the Company.

- (d) Termination of Options: Any Option granted pursuant hereto, to the extent not validly exercised, and save as expressly otherwise provided herein, will terminate on the earlier of the following dates:
- (i) the date of expiration specified in the Stock Option Agreement, being not more than five (5) years after the date the Option was granted;
 - (ii) the date of termination of the Optionee's employment or upon ceasing to be a director and/or officer of the Company or up to a period not exceeding one (1) year thereafter for any cause other than by retirement, permanent disability or death unless the Optionee was retained to provide Investor Relations Activities in which case up to a period not exceeding thirty (30) days thereafter;
 - (iii) one (1) year after the date of the Optionee's death during which period the Option may be exercised only by the Optionee's legal representative or the person or persons to whom the deceased Optionee's rights under the Option shall pass by will or the applicable laws of descent and distribution, and only to the extent the Optionee would have been entitled to exercise it at the time of his death if the employment of the Optionee had been terminated by the Company on such date;
 - (iv) one (1) year after termination of the Optionee's employment by permanent disability or retirement under any Retirement Plan of the Company during which one (1) year period the Optionee may exercise the Option to the extent he was entitled to exercise it at the time of such termination.
- (e) Non-transferability of Options: No Option shall be transferable or assignable by the Optionee other than by will or the laws of descent and distribution and shall be exercisable during his lifetime only by him.
- (f) Applicable Laws or Regulations: The Company's obligation to sell and deliver stock under each Option is subject to such compliance by the Company and any Optionee as the Company deems necessary or advisable with all laws, rules and regulations of Canada and the United States of America and any Provinces and/or States thereof applying to the authorization, issuance, listing or sale of securities and is also subject to the acceptance for listing of the common shares which may be issued in exercise thereof by each stock exchange upon which shares of the Company are listed for trading.
6. ADJUSTMENT IN EVENT OF CHANGE IN STOCK: Each Option shall contain uniform provisions in such form as may be approved by the Administrator to appropriately adjust the number and kind of shares covered by the Option and the exercise price of shares subject to the Option in the event of a declaration of stock dividends, or stock subdivisions or consolidations or reconstruction or reorganization or recapitalization of the Company or other relevant changes in the Company's capitalization (other than issuance of additional shares) to prevent substantial dilution or enlargement of the rights granted to the Optionee by such Option. The number of common shares available for Options, the common shares subject to any Option, and the Option Price thereof shall be adjusted appropriately by the Administrator and such adjustment shall be effective and binding for all purposes of the Plan.

7. **ACCELERATION OF EXPIRY DATES:** Upon the occurrence of any event, including a reorganization, acquisition, amalgamation or merger (or a plan of arrangement in connection with any of the foregoing), other than solely involving the Company and one or more of its affiliates (as such term is defined in the Securities Act (Ontario)), with respect to which all or substantially all of the persons who were the beneficial owners of the common shares, immediately prior to such reorganization, amalgamation, merger or plan of arrangement do not, following such reorganization, amalgamation, merger or plan of arrangement, beneficially own, directly or indirectly more than 50% of the resulting voting shares on a fully-diluted basis (for greater certainty, this shall not include a public offering or private placement out of treasury) or the sale to a person other than an affiliate of the Company of all or substantially all of the Company's assets (collectively, a "Change of Control"), all Options shall be deemed to have immediately vested.
8. **AMALGAMATION, CONSOLIDATION OR MERGER:** If the event that the Company is a consenting party to a Change of Control, outstanding Options shall be subject to the agreement effecting such Change of Control and Optionees shall be bound by such Change of Control agreement. Such agreement, without the Optionees' consent, may provide for:
 - (a) the continuation of such outstanding Options by the Company (if the Company is the surviving or acquiring corporation);
 - (b) the assumption of the Plan and such outstanding Options by the surviving entity; or
 - (c) substitution or replacement by the surviving or acquiring corporation or its parent of options with substantially the same terms for such outstanding Options.

The Company may provide in any agreement with respect to any such Change of Control that the surviving, new or acquiring corporation shall grant options to the Optionees to acquire shares in such corporation or its parent with respect to which the excess of the fair market value of the shares of such corporation immediately after the consummation of such Change of Control over the exercise price therefore shall not be less than the excess of the value of the common shares over the Exercise Price of the Options immediately prior to the consummation of such Change of Control.

9. **APPROVALS:** The obligation of the Company to issue and deliver the common shares in accordance with the Plan is subject to any approvals which may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Company. If any common shares cannot be issued to any Optionee for whatever reason, the obligation of the Company to issue such common shares shall terminate and any Option exercise price paid to the Company will be returned to the Optionee.
10. **STOCK EXCHANGE RULES:** The rules of any stock exchange upon which the Company common shares are listed shall be applicable relative to Options granted to Optionees.
11. **AMENDMENT AND DISCONTINUANCE OF PLAN:** Subject to regulatory approval, the Board of Directors may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time provided however that no such right may, without the consent of the Optionee, in any manner adversely affect his rights under any Option theretofore granted under the Plan.
12. **EFFECTIVE DATE AND DURATION OF PLAN:** The Plan shall remain in full force and effect from the date of shareholder approval hereof and from year to year thereafter until amended or terminated in accordance with Paragraph 11 hereof and for so long thereafter as Options remain outstanding in favour of any Optionee.
13. **REPLACEMENT OF PREVIOUS PLAN:** The Plan replaces and supersedes the Plan approved by an ordinary resolution of the shareholders of the Company on October 11, 2011.
