The entire cost of the solicitation will be borne by the Company.

The authorized capital of the Company presently consists of an unlimited number of Common Shares, of which 280,517,796 Common Shares are issued and outstanding as fully paid and non-assessable as of the Record Date. The Common Shares of the Company are listed on the TSX Venture Exchange (the “TSX-V”), as a Tier 1 company, under the symbol “NOT”.

To the knowledge of the directors and executive officers of the Company, there are no parties who beneficially own, or exercise control or direction, directly or indirectly, over securities carrying 10% or more of the voting rights attached to any class of securities of the Company, with the exception of Resource Capital Fund V L.P. (“RCF”) which holds 56,528,487 Common Shares, constituting approximately 20.16% of the Common Shares. NOTICE AND ACCESS

“Notice-and-Access Provisions” means provisions concerning the delivery of proxy-related materials to shareholders found in section 9.1.1 of National Instrument 51-102 - Continuous Disclosure Obligations (“NI 51-102”), in the case of registered shareholders, and section 2.7.1 of National Instrument 54-101 - Communication with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”), in the case of non-registered (or beneficial) shareholders (“Non-Registered Shareholders”), which would allow an issuer to deliver an information circular forming part of proxy-related materials to shareholders via certain specified electronic means provided that the conditions of NI 51-102 and NI 54-101 are met.

The Notice-and-Access Provisions are a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The Notice-and-Access Provisions can be used to deliver materials for both special and general meetings. Reporting issuers may still choose to continue to deliver such materials by mail, and beneficial owners will be entitled to request delivery of a paper copy of the information circular at the reporting issuer's expense.

The use of the Notice-and-Access Provisions reduces paper waste and mailing costs to the Company. In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting the Circular (and if applicable, other materials) electronically on a website that is not SEDAR, the Company must send a notice-and-access notification (the “Notification”) to shareholders, including Non-Registered Shareholders, indicating that the proxy-related materials have been posted and explaining how a shareholder can access them or obtain a paper copy of those materials from the Company. This Circular has been posted in full on the Company's transfer agent's website at <http://www.envisionreports.com/NOTQ2016>, on the Company's website at www.norontresources.com and under the Company's profile on SEDAR at www.sedar.com. In order to use Notice-and-Access Provisions, a reporting issuer must set the record date for notice of the meeting to be on a date that is at least 40 days prior to the meeting in order to ensure there is sufficient time for the materials to be posted on the applicable website and other materials to be delivered to shareholders. The Notification, which requires the Company to provide basic information about the Meeting and the matters to be voted on, explain how a shareholder can obtain a paper copy of the Circular and any related financial statements and MD&A, and explain the Notice-and-Access Provisions process. The Notification has been delivered to shareholders by the Company, along with the applicable voting document (a form of proxy in the case of registered shareholders or a voting instruction form in the case of Non-Registered Shareholders).

The Company will not rely upon the use of 'stratification'.

The Company will not send proxy-related materials directly to Non-Registered Shareholders and such materials will be delivered to Non-Registered Shareholders through their broker or other intermediary. The Company intends to pay for the intermediary to deliver to objecting Non-Registered Shareholders the proxy-related materials and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary* of NI 54-101.

Any registered shareholder who wishes to receive a paper copy of this Circular must make contact with the Company's transfer agent, Computershare Investor Services Inc. (the "Transfer Agent") at 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1, Fax: (416) 263-9524, toll-free: 1-866-962-0498, international: (514) 982-8716. Any Non-Registered Shareholder of the Company who wishes to receive a paper copy of this Circular may call 1-877-907-7643. In order to ensure that a paper copy of the Circular can be delivered to a requesting shareholder in time for such shareholder to review the Circular and return a proxy or voting instruction form prior to the deadline to receive proxies, it is strongly suggested that a shareholder ensure their request is received in advance of 10:00 a.m. on Monday June 6th, 2016.

All registered shareholders may call 1-866-964-0492 (toll-free) in order to obtain additional information regarding the Notice-and-Access Provisions. Non-Registered Shareholders of the Company may call 1-877-907-7643 to obtain additional information about the Notice-and-Access Provisions.

VOTING INFORMATION

Voting by Proxy

Voting by proxy means that you are giving the person or people named on your form of proxy (the "proxy holder") the authority to vote your Common Shares for you at the Meeting or any adjournment thereof. A form of proxy (the "Form of Proxy") has previously been provided.

You can choose from three different ways to vote your shares by proxy:

1. by mail or delivery;
2. by telephone; or
3. on the Internet.

A shareholder has the right to appoint a person, who need not be a shareholder, other than the persons designated in the Form of Proxy, to attend and act on behalf of the shareholder at the Meeting. Unless you appoint someone else to be your proxy holder in accordance with the instructions provided herein, the directors or officers who are named on the Form of Proxy will vote your Common Shares for you. If you appoint someone else, he or she must be present at the Meeting to vote your Common Shares.

If you are voting your Common Shares by proxy, the Transfer Agent must receive your completed form of proxy by no later than 10:00 a.m. on Monday June 6th, 2016 or, if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the adjourned meeting.

Registered and Non-Registered (or Beneficial) Shareholders

You are a registered shareholder if your name appears on your share certificate. You will receive the Form of Proxy if you are a registered shareholder.

You are a non-registered (or beneficial) shareholder if your bank, trust company, securities broker or other financial institution holds your shares for you (your nominee). If you are a non-registered (or beneficial) shareholder, you will receive a voting instruction form or form of proxy from the Company, the institution that holds your shares or their respective agents.

How to vote — Registered Shareholders

1. By proxy
 - (a) By mail or delivery

- (i) To vote by mail or delivery, your paper proxy must be completed, signed, dated and returned in accordance with the instructions on the Form of Proxy.
- (b) By telephone
 - (i) To vote by telephone, call the toll-free number shown on the Form of Proxy. Using a touch-tone telephone to select your voting preferences, follow the instructions of the “vote voice” and refer to the directions on the Form of Proxy.
 - (ii) Note that voting by telephone is not available if you wish to appoint a person as a proxy holder other than the persons named on the Form of Proxy. In such a case, your proxy should be voted by mail, delivery or the Internet.
- (c) On the Internet
 - (i) To vote your proxy on the Internet, visit the website address as shown on the Form of Proxy. Follow the on-line voting instructions given on the Form of Proxy.
- (d) By appointing another person to go to the Meeting and vote your Common Shares for you
 - (i) This person does not have to be a shareholder.
 - (ii) Strike the names that are printed on the Form of Proxy and write the name of the person you are appointing in the space provided. Complete your voting instructions, date and sign the Form of Proxy, and return it to the Transfer Agent as instructed.
 - (iii) Make sure that the person you appoint is aware that he or she has been appointed and attends the Meeting.
 - (iv) At the Meeting, the person appointed should see the scrutineers from the Transfer Agent at the registration table.

2. In person at the Meeting

You do not need to complete or return the Form of Proxy.

You should see a representative of the Transfer Agent before entering the Meeting to register your attendance at the Meeting.

Voting in person at the Meeting will automatically cancel any proxy you completed and submitted earlier.

How to vote — Non-Registered (or beneficial) Shareholders

The Company has elected to distribute copies of the Notice of Meeting, this Circular and the Form of Proxy (collectively the “Meeting Materials”) directly to Non-Registered Shareholders utilizing the Notice-and-Access Provisions. Intermediaries often use service companies to forward the Meeting Materials to non-registered owners of the Common Shares.

If you are a non-registered owner of Common Shares and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf. In such case, the Company (and not the intermediary holding Common Shares on your behalf) assumes responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the Form of Proxy.

If you have received the Meeting Materials indirectly through your nominee or your nominee's agent, you will receive the nominee's form of proxy, which is substantially similar to the Form of Proxy, the sole purpose of which is to instruct the registered holder of the Common Shares (i.e. the nominee) how to vote on your behalf (the "Voting Instruction Form").

1. By proxy

- (a) Please contact your nominee or the Company if you have not received a Voting Instruction Form or the Form of Proxy.
- (b) In most cases, you will receive a Voting Instruction Form that allows you to provide your voting instructions by telephone, on the Internet or by mail or delivery. If you want to provide your voting instructions on the Internet, go to the website noted on your Voting Instruction Form or Form of Proxy and follow the instructions on the screen.
- (c) Some Voting Instruction Forms may be required to be completed and returned, as directed in the instructions provided; or have been pre-authorized by your nominee indicating the number of shares to be voted, which is to be completed, dated, signed and returned to the Transfer Agent by mail.

2. In person at the Meeting

- (a) The Transfer Agent does not have access to the names or holdings of our Non-Registered Shareholders. That means you can only vote your Common Shares in person at the Meeting if you appoint yourself proxy holder by printing your name in the space provided on the Voting Instruction Form or Form of Proxy provided to you.
- (b) Your vote will be taken and counted at the Meeting.
- (c) Prior to the Meeting, you should see the scrutineers from the Transfer Agent at the registration table.

Completing the Form of Proxy

On any ballot that may be called for at the Meeting, the Common Shares represented by the enclosed Form of Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder indicated thereon and, where a choice is specified, the Common Shares will be voted accordingly.

You can choose to vote "For", "Against" or "Withhold", depending on the items listed on the Form of Proxy.

When you sign the Form of Proxy, you authorize Paul Parisotto, Alan Coutts or Gregory Rieveley, who are directors and/or officers of the Company, or the individual that you have named on the Form of Proxy in accordance with the instructions provided herein, to vote or withhold from voting your Common Shares for you at the Meeting according to your instructions on any ballot that may be called for. If you specify a choice on the Form of Proxy with respect to any matter to be acted upon at the Meeting, your Common Shares will be voted accordingly. **If you return the Form of Proxy and do not tell us how you want to vote your Common Shares, your vote will be counted: (i) FOR the election of the nominees for director listed under "Election of Directors"; (ii) FOR the appointment of the auditors named under "Appointment of Auditors"; and (iii) FOR the ordinary resolution re-approving the Stock Option Plan as described in this Circular.**

Your proxy holder will also vote your Common Shares as s/he sees fit on any amendment or variation to matters identified in the Notice of Meeting or any other matter that may properly come before the Meeting. As of the date of this Circular, Management is unaware of any such amendment, variation or other matter proposed or likely to come before the Meeting.

If you have appointed a person other than Paul Parisotto, Alan Coutts or Gregory Rieveley to vote your Common Shares and you do not specify how you want your Common Shares voted, your proxy holder will vote your Common Shares as he or she sees fit on each item and on any other matter that may properly come before the Meeting.

If you are an individual shareholder, you or your authorized attorney must sign the Form of Proxy. If you are a corporation or other legal entity, an authorized officer or attorney must sign the Form of Proxy.

Changing your vote

You can revoke a vote you made by proxy by:

- voting again by telephone or on the Internet by no later than 10:00 a.m. on Monday June 6th, 2016 or, if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the adjourned Meeting;
- completing a form of proxy that is dated later than the form of proxy you are changing and mailing it or faxing it to the Transfer Agent or sending a notice to Noront Resources Ltd., 110 Yonge Street, Suite 400, Toronto, ON M5C 1T4, so that it is received by no later than 10:00 a.m. on Monday June 6th, 2016 or, if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the adjourned Meeting;
- giving a notice in writing to the Chairperson of the Meeting, at the Meeting or any adjournment thereof. The notice can be from you or your authorized attorney.

REVOCATION OF PROXIES

You have the right to revoke your proxy at any time before it is exercised. Relevant provisions of the *Business Corporations Act* (Ontario) provide that you may revoke a proxy by depositing an instrument in writing, executed by yourself or by an attorney authorized in writing, at, or by transmitting, by telephonic or electronic means or any other manner permitted by law, a revocation to, the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or by depositing such instrument with the Chairperson of the Meeting on the day of the Meeting, or any adjournment thereof, or in any other manner permitted by law.

constitute approval or disapproval of any matters referred to therein. EXECUTIVE COMPENSATION

The following provides information regarding all significant elements of compensation paid, payable, granted, given or otherwise provided by the Company to (i) Alan Coutts, Chief Executive Officer and President, (ii) Gregory Rieveley, Chief Financial Officer (iii) Stephen Flewelling, Senior Vice President Mining and Projects (iv) Mark Baker, Vice President Projects and (v) Colin Webster, Vice President Sustainability (collectively the "Named Executive Officers" or "NEOs").

Role of the Compensation, Governance and Nomination Committee

The Board administers the compensation programs of the Company with the assistance of the Compensation, Governance and Nomination Committee. The Committee is comprised entirely of independent directors being Messrs. Thomas, Anselmi, and Ms. Veenman who have significant experience in finance and the mining industry. The process by which appropriate compensation is determined is through periodic and annual reports from the Committee on the Company's overall compensation and benefits philosophies with such compensation realistically reflecting the responsibilities and risks of such positions. All of the members of the Committee have the skills and experience necessary to make decisions about the Company's compensation policies and practices.

The Compensation, Governance and Nomination Committee is responsible for (a) developing compensation philosophy and policy; (b) review and approval of goals and objectives relevant to the Chief Executive Officer's compensation, evaluating the performance of the Chief Executive Officer, and making recommendations to the Board for the Chief Executive Officer's compensation based on the evaluation; (c) reviewing and making recommendations to the Board with respect to compensation of other senior executives other than the Chief Executive Officer; (d) making recommendations to the Board with respect to the form of compensation for senior executives and directors; and (e) reviewing executive compensation disclosure.

Objectives of Compensation Programs

The Board recognizes that the NEOs are critical to achieve the vision and mission of the Company, the primary focus being the successful financing, development and operation of the Eagle's Nest project, and that compensation plays a critical role in achieving the short and long-term objectives that drive success.

The Compensation, Governance and Nomination Committee has established compensation policies reflecting the Company's philosophy regarding executive compensation that:

- Provide competitive compensation sufficient to attract, retain and motivate high-performing senior executives with the requisite skills to achieve the Company's strategy;
- Align compensation directly to achievements of corporate and personal performance objectives that are directly related to the Company's strategy;
- Encourage the execution of goals and objectives consistent with the Company's vision, mission and values; and
- Align with the interests of the Company's stakeholders.

Benchmarking

The Compensation, Governance and Nomination Committee benchmarks NEO and director compensation using companies in the same industry, of similar size and in similar stage of development, for all elements of compensation. The peer group used for benchmarking purposes for fiscal 2015 included Royal Nickel Corporation, Polymet Mining Corp, Alloy Corporation and Stornoway Diamonds Corp.

Elements of Compensation

Compensation for the Company's NEOs for the year ended December 31, 2015, consisted of the following three components:

(i) Base Salary

Base salary is designed to remunerate the NEOs for discharging their duties and responsibilities and therefore considers the position and responsibilities of the NEO, previous experience, prior performance and anticipated contribution. Salary levels are benchmarked against peer group companies at the direction of the Compensation, Governance and Nomination Committee. See "Benchmarking" above.

Over the past two years there has not been a real increase in salaries for the NEO's. In 2014, the NEO's excluding the CEO, CFO and COO received a cost of living increase of 2%. In 2015 there were no increases to salaries.

(ii) Short-Term Incentive Compensation ("Bonus")

In addition to base salary, the NEOs are eligible to receive an annual incentive bonus, payable in cash, options or a combination thereof and based on the achievement of performance objectives which are linked to the Company's strategy and short-term goals for each fiscal year.

Target bonus awards range from 30% to 75% and are again based on the position and responsibilities of the NEO. Target bonus levels are benchmarked against peer group companies at the direction of the Compensation, Governance and Nomination Committee. See "Benchmarking" above.

Target bonus awards are based on annual performance of key metrics that consider the long and short-term objectives established by Management and approved by the Board, as well as performance relative to the Company's mission, vision and values.

2015 Approach to Short-Term Incentive Compensation for the Named Executive Officers

The annual bonus of the Named Executive Officers, other than the CEO, are determined by the Compensation, Governance and Nomination Committee based on the evaluation of their performance by the CEO and the CEO's annual bonus is determined based on his performance which is evaluated by the Compensation, Governance and Nomination Committee with input from the Chairman of the Board. The evaluation process assesses the Named Executive Officer's performance relative to the NEO's objectives which cascade from the key objectives that were established and outlined in the Company's Annual Management Discussion and Analysis dated March 31, 2015.

The cash bonuses awarded to NEO's in 2015 related to the 2014 fiscal year except in the case of the CEO and CFO, for whom part of their bonus was related to the successful acquisition of the chromite assets in the Ring of Fire formerly owned by Cliffs Natural Resources. This transaction was initiated in October 2014 and was announced on March 23, 2015. The CEO and CFO bonuses were awarded in April 2015, however, payment of these bonuses was deferred until such time as the Company improved its working capital position. The cash bonuses to the CEO and CFO were paid in full in 2016. The Company did not award any cash bonuses to NEO's for fiscal year 2015 except as indicated above.

2016 Annual Objectives for the Named Executive Officers

The CEO has defined and the Board has approved key objectives for 2016 which are outlined in the Company's December 31, 2015 MD&A for fiscal 2016. The NEO's performance will be evaluated against their specific objectives which cascade from the key objectives defined for the Company except in the case of the CEO which will be evaluated against the Company's key objectives.

The key objectives for fiscal 2016 are as detailed below:

- obtain a specific commitment from the provincial / federal government on the Company's proposed East – West Access Road including a timeline for construction;
- fund an ongoing systematic exploration program in the Ring of Fire and make new discoveries focused initially on the nickel, copper and platinum group metal potential;
- develop a strategy for the Company's chromite assets and incorporate it into its development pipeline;
- rationalize its property position outside of the Ring of Fire and develop a strategy for them;
- seek opportunities to add high quality exploration or development properties; and
- maintain a strong treasury position to support its near and long term needs.

(iii) Long-term Incentive Compensation

Long-term incentives are intended to align the interests of NEOs with the interests of stakeholders by motivating NEOs to increase shareholder value over the long-term. Targets for long-term incentives are benchmarked to the market for competitiveness; consider the value of the NEOs contribution to the long-term success of the Company and the percentage of compensation that the Compensation, Governance and Nomination Committee determines should be at risk. The award targets are modified based on NEO performance, corporate performance and the anticipated contribution of the NEO.

Long-term incentive compensation may take the form of stock options, deferred share units ("DSUs"), restricted share units ("RSUs"), performance share units ("PSUs") and other share based awards.

The Company has a Stock Option Plan and a Share Award Plan which allows the Company to issue equity based awards such as restricted stock, restricted stock units, performance shares, performance share units and other equity based awards. Grant ranges have been established independently each time grants of stock options or Share Awards were made to provide competitive long-term incentive value, with significant recognition of the potential contribution of the individual. Options granted pursuant to the Stock Option Plan have a maximum five-year term and an exercise price equal to market price at time of grant. The periodic award of Options and Share Awards under the Stock Option Plan and Share Award Plan is determined by the Board, is discretionary and takes into account previous Option and Share award grants.

For a detailed description of the Stock Option Plan, please refer to the disclosure relating to the Stock Option Plan in "Particulars of Matters to be Acted Upon" herein.

Grants of Stock Options to NEO's are benchmarked against peer group companies at the direction of the Compensation, Governance and Nomination Committee (see "Benchmarking" above) with consideration to the NEO's position and their respective influence on the Company's long-term goals.

The Company's share award plan (the "Share Award Plan") was established on August 14, 2012 and approved by shareholders of the Company on October 9, 2012. Awards issued under the Share Award Plan require board

approval. The purpose of the Share Award Plan is also to advance the interests of the Company through the motivation, attraction and retention of senior executives, directors, employees (including prospective employees) and consultants of the Company and to secure for the Company and the shareholders of the Company the benefits inherent in ownership of common shares by senior executives directors, employees and consultants of the Company. The Board believes that share based awards provide an effective tool for the Company to enable it to attract and retain key personnel in the face of competition from larger companies.

The maximum number of Common Shares made available as awards pursuant to the Share Award Plan is 4,000,000 Common Shares. As of April 29, 2016, 665,000 Common Shares remain available to be awarded under the Share Award Plan. In the event that Common Shares made available as Awards granted pursuant to the Plan are subsequently cancelled, new Awards may be granted covering the Common Shares cancelled.

The CEO and the Senior VP Mining and projects both have PSU's tied to certain performance criteria.

In the case of the CEO he was granted two million PSU's upon joining the Company which vest in tranches of 500,000 based on certain share price targets.

The Senior VP Mining and Projects PSU's were granted upon joining the Company in 2015 and vest in two tranches of 500,000 PSU's each. The first tranche vests upon the Eagle's Nest production decision and the second tranche vests upon the successful delivery of the Eagle's Nest Mine Project.

Risk Mitigation

In carrying out its mandate, the Board reviews from time to time the risk implications of the Company's compensation policies and practices, including those applicable to the Company's executives. This review of the risk implications ensures that compensation plans, in their design, structures and application have a clear link between pay and performance and do not encourage excessive risk taking.

Key considerations regarding risk management include the following:

- design of the compensation program to ensure all executives are compensated based on the same or, depending on the mandate and term of appointment of that particular executive, substantially equivalent performance goals;
- balance of short-term performance incentives with equity-based awards that vest over time;
- ensuring overall expense to the Company of the compensation program does not represent a disproportionate percentage of the Company's cash on hand, after giving consideration to the planned growth initiatives of the Company; and
- utilizing compensation policies that do not rely solely on the accomplishment of specific tasks without consideration of longer term risks and objectives.

The Board believes that the Company's current executive compensation policies and practices achieve an appropriate balance in relation to the Company's overall business strategy and do not encourage executives to expose the Company to inappropriate or excessive risks.

Financial Instruments

Currently, the Company does not have a policy that prohibits a Named Executive Officer or director from purchasing financial instruments (including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds) designed to hedge or offset a decrease in the market value of equity securities of the Company granted as compensation or held directly or indirectly by the Named Executive Officer or director. The Board periodically assesses whether such a policy is necessary.

Director Compensation

Director Compensation Table

The Company's policy with respect to directors' compensation was developed by the Compensation, Governance and Nomination Committee with reference to comparative data of companies in the same industry, of similar size and in similar stage of development. The directors' compensation, is payable in four equal quarterly installments. The Directors waived their fees in the fourth quarter of 2015 until such time as the Company's working capital situation improves. Director Fees will be reinstated starting June 1, 2016. Directors fees paid up to the third quarter of 2015 were based on the annual rates below:

- Annual compensation of \$35,000
- Annual Chairman of the Board retainer of \$12,500
- Annual Chairman's retainer for Audit Committee of \$10,000
- Annual Chairman's retainer for Compensation, Governance and Nomination Committees of \$5,000
- Annual Chairman's retainer for Sustainability Committee of \$5,000
- Reimbursement of meeting expenses

The Board of Directors may be issued stock options, deferred share units or share based awards. Members of the Board of Directors up to this time have received annual grants of stock options determined by benchmarking against comparable companies (see “Benchmarking” above).

During 2015, the Board of Directors adopted share ownership requirements to ensure director alignment with shareholders. Members of the Board of Directors are required to purchase a minimum of \$50,000 worth of common shares of the Corporation. Board members have three years from August 25, 2015 or from the date they joined the board in the case of new directors to comply with the minimum shareholding requirement.

The following table sets forth all amounts of compensation provided to the directors, who are each not also a Named Executive Officer, for the Company’s most recently completed financial year:

In addition to the independence criteria discussed above, any individual who:

APPENDIX “B”

NORONT RESOURCES LTD.

AMENDED 2007 INCENTIVE STOCK OPTION PLAN

1. **PURPOSE:** The purpose of this Stock Option Plan (the “Plan”) is to encourage common stock ownership in Noront Resources Ltd. (the “Company”) by directors, officers, employees (including part-time employees employed by the Company for less than (20) hours per week) and consultants (including individuals whose services are contracted through a wholly-owned personal holding company) of the Company or any Affiliate, as that term is defined in the Securities Act (Ontario), of the Company or by wholly owned personal holding companies of any such officers, directors or employees or by registered retirement savings plans established by any such officers, directors or employees (hereinafter referred to as “Optionees”) who are primarily responsible for the management and profitable growth of its business and to advance the interests of the Company by providing additional incentive for superior performance by such persons and to enable the Company to attract and retain valued directors, officers and employees by granting options (the “Options” or “Option”) to purchase common shares of the Company on the terms and conditions set forth in this Plan and any Stock Option Agreements entered into between the Company and the Optionees in accordance with the Plan. Any Options granted to a wholly-owned personal holding company shall be cancelled immediately upon any change in control of such personal holding company, save and except in the event of the death of the principal of such personal holding company, in which case, subject to the terms of the Stock Option Agreement, the provisions of subparagraph 5(f)(iii) shall apply.
2. **ADMINISTRATION:** The Plan shall be administered by the Board of Directors from time to time of the Company (the “Administrator”). No member of the Board of Directors shall by virtue of such appointment be disqualified or ineligible to receive Options. The Administrator shall have full authority to interpret the Plan and to make such rules and regulations and establish such procedures as it deems appropriate for the administration of the Plan, taking into consideration the recommendations of management, and the decision of the Administrator shall be binding and conclusive. The decision of the Administrator shall be binding, provided that notwithstanding anything herein contained, the Administrator may from time to time delegate the authority vested in it under this clause to the President who shall thereupon exercise all of the powers herein given to the Administrator, subject to any express direction by resolution of the Board of Directors of the Company from time to time and further provided that a decision of the majority of persons comprising the Board of Directors in respect of any matter hereunder shall be binding and conclusive for all purposes and upon all persons. The senior officers of the Company are authorized and directed to do all things and execute and deliver all instruments, undertakings and applications as they in their absolute discretion consider necessary for the implementation of the Plan.
3. **NUMBER OF SHARES SUBJECT TO OPTIONS:** The Board of Directors of the Company will make available that number of common shares for the purpose of the Plan that it considers appropriate except that the number of common shares that may be issued pursuant to the exercise of Options under the Plan and under any other stock options of the Company or under any other share compensation arrangement of the Company shall not, in the aggregate, exceed 10% of the common shares issued and outstanding (on a non-diluted basis) at any time and from time to time. In the event that Options granted under the Plan, and under any other stock options of the Company which may be in effect at a particular time, are surrendered, terminate or expire without being exercised in whole or in part, new Options may be granted covering the common shares not purchased under such lapsed Options.
4. **PARTICIPATION:** Options shall be granted under the Plan only to Optionees as shall be designated from time to time by the Administrator and shall be subject to the approval of such regulatory authorities as the Administrator shall designate, which shall also determine the number of shares subject to such Option. Optionees who are consultants of the Company or an Affiliate of the Company must either perform services for the Company on an ongoing basis or provide, or be expected to provide, a service of value to the Company or to an Affiliate of the Company. The Company represents that no Option shall be granted to any Employee or Consultant who is not a bona fide employee or consultant.

5. **TERMS AND CONDITIONS OF OPTIONS:** The terms and conditions of each Option granted under the Plan shall be set forth in written Stock Option Agreements between the Company and the Optionee. Such terms and conditions shall include the following, as well as such other provisions, not inconsistent with the Plan, as may be deemed advisable by the Administrator:
- (a) **Number of Shares subject to Option to any one Optionee:** The number of shares subject to an Option shall be determined from time to time by the Administrator; but no one Optionee shall be granted an Option which when aggregated with any other options or common shares allotted to such Optionee under the Plan and under any other stock options of the Company or under any other share compensation arrangement of the Company exceeds 5% of the issued and outstanding common shares of the Company (on a non-diluted basis), the total number of Options granted to any one Optionee in any 12 month period shall not exceed 5% of the issued and outstanding common shares of the Company (on a non-diluted basis) unless the Company has obtained disinterested shareholder approval, the total number of Options granted to all Insiders (as defined by the TSX Venture Exchange) in any 12 month period shall not exceed 10% of the issued and outstanding common shares of the Company (on a non-diluted basis). The total number of options granted to any one consultant in any 12 month period shall not exceed 2% of the issued and outstanding common shares of the Company (on a non-diluted basis). The total number of options granted to all persons, including employees, providing investor relations activities to the Company in any 12 month period shall not exceed 2% of the issued and outstanding common shares of the Company (on a non-diluted basis). The Option Price per common share shall be determined in accordance with subparagraph (b) below. Options granted to persons providing investor relations activities must vest over a 12 month period with no more than 25% of the options vesting in any quarter.
 - (b) **Option Price:** The Option Price of any shares in respect of which an Option may be granted under the Plan shall be not less than the Market Price less the allowable discount permitted by the TSX Venture Exchange or in accordance with the pricing rules of any other stock exchange on which the common shares of the Company may trade in the future. In the resolution allocating any Option, the Administrator may determine that the date of grant aforesaid shall be a future date determined in the manner specified by such resolution. The Administrator may also determine that the Option Price per share may escalate at a specified rate dependent upon the year in which any Option to purchase common shares may be exercised by the Optionee. No options granted to Insiders (as defined by the TSX Venture Exchange) may be repriced without the approval of a majority of disinterested shareholders of the Company exclusive of any Insiders.
 - (c) **Payment:** The full purchase price of shares purchased under the Option shall be paid in cash upon the exercise thereof. A holder of an Option shall have none of the rights of a stockholder until the shares are issued to him. All common shares issued pursuant to the exercise of Options granted or deemed to be granted under the Plan, will be so issued as fully paid and non-assessable common shares. No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares subject to an Option under this Plan, unless and until certificates for such common shares are issued to him or them under the terms of the Plan.
 - (d) **Term of Options:** Options may be granted under this Plan exercisable over a period not exceeding five (5) years. Each Option shall be subject to earlier termination as provided in subparagraph (f) below.
 - (e) **Exercise of Options:** The exercise of any Option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of common shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such common shares with respect to which the Option is exercised. An Option may be exercised in full or in part during any year of the term of the Option as provided in the written Stock Option Agreement; provided, however, that except as expressly

otherwise provided herein or as provided in any valid Stock Option Agreement approved by the Administrator, no Option may be exercised unless that Optionee is then a director and/or in the employ of the Company. This Plan shall not confer upon the Optionee any right with respect to continuance as a director, officer, employee or consultant of the Company or of any affiliate of the Company.

- (f) Termination of Options: Any Option granted pursuant hereto, to the extent not validly exercised, and save as expressly otherwise provided herein, will terminate on the earlier of the following dates:
- (i) the date of expiration specified in the Stock Option Agreement, being not more than five (5) years after the date the Option was granted;
 - (ii) the date of termination of the Optionee's employment or upon ceasing to be a director and/or officer of the Company or up to a period not exceeding one (1) year thereafter for any cause other than by retirement, permanent disability or death unless the Optionee was retained to provide Investor Relations Activities in which case up to a period not exceeding thirty (30) days thereafter;
 - (iii) one (1) year after the date of the Optionee's death during which period the Option may be exercised only by the Optionee's legal representative or the person or persons to whom the deceased Optionee's rights under the Option shall pass by will or the applicable laws of descent and distribution, and only to the extent the Optionee would have been entitled to exercise it at the time of his death if the employment of the Optionee had been terminated by the Company on such date; or
 - (iv) one (1) year after termination of the Optionee's employment by permanent disability or retirement under any Retirement Plan of the Company during which one (1) year period the Optionee may exercise the Option to the extent he was entitled to exercise it at the time of such termination.
- (g) Non-transferability of Options: No Option shall be transferable or assignable by the Optionee other than by will or the laws of descent and distribution and shall be exercisable during his lifetime only by him.
- (h) Applicable Laws or Regulations: The Company's obligation to sell and deliver stock under each Option is subject to such compliance by the Company and any Optionee as the Company deems necessary or advisable with all laws, rules and regulations of Canada and the United States of America and any Provinces and/or States thereof applying to the authorization, issuance, listing or sale of securities and is also subject to the acceptance for listing of the common shares which may be issued in exercise thereof by each stock exchange upon which shares of the Company are listed for trading.
6. ADJUSTMENT IN EVENT OF CHANGE IN STOCK: Each Option shall contain uniform provisions in such form as may be approved by the Administrator to appropriately adjust the number and kind of shares covered by the Option and the exercise price of shares subject to the Option in the event of a declaration of stock dividends, or stock subdivisions or consolidations or reconstruction or reorganization or recapitalization of the Company or other relevant changes in the Company's capitalization (other than issuance of additional shares) to prevent substantial dilution or enlargement of the rights granted to the Optionee by such Option. The number of common shares available for Options, the common shares subject to any Option, and the Option Price thereof shall be adjusted appropriately by the Administrator and such adjustment shall be effective and binding for all purposes of the Plan.
7. ACCELERATION OF EXPIRY DATES: Upon the occurrence of any event, including a reorganization, acquisition, amalgamation or merger (or a plan of arrangement in connection with any of the foregoing),

other than solely involving the Company and one or more of its affiliates (as such term is defined in the Securities Act (Ontario)), with respect to which all or substantially all of the persons who were the beneficial owners of the common shares, immediately prior to such reorganization, amalgamation, merger or plan of arrangement do not, following such reorganization, amalgamation, merger or plan of arrangement, beneficially own, directly or indirectly more than 50% of the resulting voting shares on a fully-diluted basis (for greater certainty, this shall not include a public offering or private placement out of treasury) or the sale to a person other than an affiliate of the Company of all or substantially all of the Company's assets (collectively, a "Change of Control"), all Options shall be deemed to have immediately vested.

8. **AMALGAMATION, CONSOLIDATION OR MERGER:** If the event that the Company is a consenting party to a Change of Control, outstanding Options shall be subject to the agreement affecting such Change of Control and Optionees shall be bound by such Change of Control agreement. Such agreement, without the Optionees' consent, may provide for:
- (a) the continuation of such outstanding Options by the Company (if the Company is the surviving or acquiring corporation);
 - (b) the assumption of the Plan and such outstanding Options by the surviving entity; or
 - (c) substitution or replacement by the surviving or acquiring corporation or its parent of options with substantially the same terms for such outstanding Options.

The Company may provide in any agreement with respect to any such Change of Control that the surviving, new or acquiring corporation shall grant options to the Optionees to acquire shares in such corporation or its parent with respect to which the excess of the fair market value of the shares of such corporation immediately after the consummation of such Change of Control over the exercise price therefore shall not be less than the excess of the value of the common shares over the Exercise Price of the Options immediately prior to the consummation of such Change of Control.

9. **APPROVALS:** The obligation of the Company to issue and deliver the common shares in accordance with the Plan is subject to any approvals which may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Company. If any common shares cannot be issued to any Optionee for whatever reason, the obligation of the Company to issue such common shares shall terminate and any Option exercise price paid to the Company will be returned to the Optionee.
10. **STOCK EXCHANGE RULES:** The rules of any stock exchange upon which the Company common shares are listed shall be applicable relative to Options granted to Optionees.
11. **AMENDMENT AND DISCONTINUANCE OF PLAN:** Subject to regulatory approval, the Board of Directors may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time provided, however, that no such right may, without the consent of the Optionee, in any manner adversely affect his rights under any Option theretofore granted under the Plan.
12. **EFFECTIVE DATE AND DURATION OF PLAN:** The Plan shall remain in full force and effect from the date of shareholder approval hereof and from year to year thereafter until amended or terminated in accordance with Paragraph 11 hereof and for so long thereafter as Options remain outstanding in favour of any Optionee.
13. **REPLACEMENT OF PREVIOUS PLAN:** The Plan replaces and supersedes the Plan approved by an ordinary resolution of the shareholders of the Company on October 9, 2012.
